Volksblad en UV JOOL span saam

Noudat die verkoop van die RITSIM op straat gestaak is, span **Volksblad** Bemarking en UV JOOL saam om die dekadelange joolbladtradisie te laat bly voortleef. **Volksblad** se netwerk vir straatverkope gaan vanjaar aangewend word om RITSIM te help verkoop.

Van Vrydag 22 Januarie af, sal jy nie meer studente met Ritsim op straat gewaar nie, maar kan jy steeds jou joolblad by enige straatverkoper in Bloemfontein, Upington, Kimberley, Kathu, Kuruman, Bethlehem en Kroonstad koop.

'n Deel van die opbrengs gaan danksy UV JOOL se medewerking aan die straatverkoper. Koop dus van Vrydag die Ritsim by jou eie, bekende of enige ander straatverkoper in die stad. Die straatverkope duur 'n week, Saterdag uitgesluit.

Volksblad Bemarking steun JOOL se insameling van geld vir liefdadigheid en werk graag saam met UV JOOL om Ritsim te verkoop. Dankie ook vir elke koper van Ritsim se onbaatsugtige bydrae tot liefdadigheid.

Nog ‘n Khoisan NUU-taal spreker sterf
Ouma Griet roerend gegroet

GEMSBOK-ROSEDALE: Die naweek se begrafnis van een van die vyf laaste oorblywende Khoisansprekers van die NUU-taal, was glo 'n emosionele, maar feestelike tradisionele seremonie.

Ouma Griet Jantjies, 70, het sedert 2008 in Rosendal gewoon.

Sy is op 31 Desember oorlede nadat sy in die hospitaal opgeneem is weens 'n longinfeksie.

Ouma Griet se niggie, Khoisan koningin Katrina Esau, het ook die begrafnis bygewoon.

Koningin Katrina, haar suster, Griet Soekoel (84) haar jonger broer, Simon Sauls (65) en Johanna Koper, 95, is blykbaar die enigste NUU-sprekers wat nou agter gelaat word. Die taal is een van die oudste op die planeet.

Ouma Griet laat twee susters, drie seuns, drie dogters, 36 kleinkinders, 35 agterkleinkinders en drie agter- agterkleinkinders na.

Op Saterdag, het die diens baie gepas begin met 'n tradisionele dans deur die Staar na die Sterre, 'n organisasie wat in Upington NUU- en Khoisanerfenis bewaar.

'n Gewyde horing van die eland, wat die Khoisan afstammelinge vir eeue gebruik in hul seremonies, is geplaas langs 'n vuur by die ingangshek van haar huis. Die rook is oor haar kis gewaai regdeur die seremonie.

Ouma Griet is begrawe in die begraafplaas by Kameelboom na afloop van die twee-uur lange seremonie.

Shaul Paul Swartbooi skryf:

Op die golwe van die wind sterf die laaste klanke weg.
Wanneer vandag nie meer is en ons in die voetpaaie van antieke Afrika terugstap,
Dan sal ons haar onthou,
Verenig is sy met die gestorwenes en saggies sal sy lê onder die sagte sand waar haar spore van eergister lê,
Wanneer die reen kom sal haar spore uitgedof word,
Maar in die harte van onse mense sal sy hulle nog steeds voortleef, Ek hoor die klieks van die antieke taal dit neem my op ‘n reis na die vergeteldheid en ek wens,
Dit kan weer oor die vlaktes die duine en die stofstrate van die Noord-Kaap weerklink.
In herinnering aan ons legendes

Khoisan gemeenskap aangemoedig om aksie te neem oor grondeise

GEMSBOK-UPINGTON: Thami Mdontswa van die Departement van Landelike Ontwikkeling en Grondhervorming sê mense wat hul grond verloor van Junie 1913 het net meer as drie jaar oor om 'n eis by die departement in te dien.

Die Landelike Ontwikkeling en Grondhervorming Departement het versoek dat die Khoisan-gemeenskap grondeise soos almal anders in dien.

Dit volg op die bewerings, tydens die verhore Menseregtekommissie, deur die Khoisan dat hulle grond weggeneem en hul menseregte geskend is.

Die Khoisan gemeenskappe het die Menseregtekommissie genader omdat hulle geen toegang tot grond, insluitend basiese dienste, het nie.

"Enige persoon of gemeenskap wat benadeel is as gevolg van ons verlede wette kan enige van ons kantore nader en vra vir die grond. Vorms word ingevul en sekere inligting word dan vereis alvorens die aansoek verwerk word. Ons het sedert 1994 gesien dat net meer as vier miljoen hektaar uitgedeel word, "sê Mdontswa.

Die Khoisan-gemeenskap het die regering van 'n poging om hul geskiedenis te vernietig beskuldig.

Hulle beweer dat hulle hul taal nie erken word as een van die 11 amptelike tale in die land nie en dat selfs in die meerderheid van die skole word dit nie geleer nie.

"Die Khoi en San mense word in Suid-Afrika eenkant toe geskuif en daar is geen grondwetlike erkenning van die Khoi en San as die eerste inheemse mense van Suid-Afrika nie. Na 20 jaar sedert die aannemings van die Grondwet is nie veel gedoen in terme van die bevordering van die San, Khoi en Nama tale en die kultuur van die Khoi-mense nie, "sê John Rooyen die Gauteng Khoisan gemeenskap se woordvoerder.

Dr Rakwena Monareng van die Pan-Suid-Afrikaanse Taalraad sê dat baie gedoen moet word om inheemse tale te bevorder.

"Die meeste gemeenskappe is nie bewus van hul taalkundige menseregte nie. Die paar wat bewus is, het nie basiese finansiële hulpbronne om die proses wat hul regte sal beskerm te inisieer nie. Hulle is nie bewus van die instellings wat hul taalkundige menseregte kan baat nie, "sê Monareng.

Monareng het 'n beroep op die regering gedoen om nie net lippediens aan die implementering van die taalbeleid te lewer nie, maar om daad by die woord te voeg.

Die Menseregtekommissie sal die finale rondte van die verhore in die Noord-Kaap gedurende April hou voor die indiening van sy aanbevelings aan die Parlement.
