To all community members. A Public Participation Process is being undertaken by Savannah Environmental for the Naledi PV and Ngwedi PV projects. These projects are located south-west of Upington along the N14 and north of Kalksloot, right next to Khi Solar One. A basic assessment report for each project is available for your review and comment. You can download these from the Savannah Environmental website, at savannahsa.com.

A 30-day review and comment period for the reports has started and ends on **Friday, 07 August 2020**.

To obtain further information and register on the project database, please send your name, contact information and interest in the project to Nicolene or Ronald at Savannah Environmental. Call or message us on 011 656 3237, or on the mobile number 060 978 8396. Or send an e-mail to publicprocess@savannahsa.com.
