Subject: RE: SE3209: POORTJIE WES CLUSTER OF SOLAR ENERGY FACILITIES- REMINDER FOR COMMENTING PERIOD AND REVIEW

Dear Mr Bryn Morse,

I trust this email finds you well.

Thank you very much for your email and for your interest in the Poortjie Wes Renewable Energy Cluster in the Northern Cape Province. Your feedback and input is very important to us as we (Savannah Environmental) are the independent Environmental Consultants for the project and are here to address any concerns or provide clarity to any questions you may have regarding the project.

Owing to the timeframes relating to the EIA study for the project, we are only able to offer an extension of 15 days from the initial review end periods for the facilities and grid infrastructure (i.e., 15 days from the 07th and the 14th of July respectively).

We would also like to invite you to attend a meeting where we may present a summary of the project; and offer you the opportunity to raise any concerns or queries pertaining to the development. Please advise your availability in this regard.

To assist us in providing you with the best feedback in this meeting, please could you kindly provide us with a summary of your main interests and concerns?

We look forward to hearing from you.

Kind regards,

Dear Nicolene

With reference to your email below I notice that the last day for comments is next Thursday the 14th July 2022.

Given the apparent magnitude of the project and the potential impact thereof upon myself (with reference the farm Hillside) as an interested/affected party ,I urgently request an extension of 30 days which will allow sufficient time for one to acquaint oneself with the relevant literature and to furnish relevant comments accordingly.

Please confirm soonest your acceptance of my request.

Thanking you in anticipation

Dear Mr Morse,

Thank you for taking my call this afternoon.

As mentioned the purpose of my call was to enquire whether you had any comments that you would like to submit regarding the Applications for Environmental Autorisations for the proposed Poortjie Wes Cluster of Solar Photovoltaics (PVs) as the commenting period on the Basic Assessment (BA) Reports.

To confirm, you raised the following concerns / comments:

- You had difficulty downloading the reports from our website and requested a third party to assist.
 - As promised, we will be sending you the BA Reports via WeTransfer
- Not sure of the location of the various solar developments.
 - Attached is a .KMZ file which will assist you with identifying your property in line with the proposed developments
 - Included in the attached Background Information Document is a Locality Map
- Concern regarding the possible visual impact – as you did not had access to the Reports the visual impact is unknown.
- Requested information regarding the access roads and more specifically the roads required for the construction phase.

Please do not hesitate to correct any of the points mentioned above or to add any additional concerns you may have.

Kind regards,
