Dear Stakeholder;

INVITATION TO REVIEW AND COMMENT ON THE DRAFT SCOPING REPORT

APPLICATIONS FOR AN ENVIRONMENTAL AUTHORISATION AND A WASTE MANAGEMENT LICENCE FOR THE PROPOSED 80 000 TONNES PER ANNUM TITANIUM DIOXIDE (TiO₂) PIGMENT PLANT IN THE RICHARD'S BAY INDUSTRIAL DEVELOPMENT ZONE, KWAZULU-NATAL

Notice is hereby given that the Draft Scoping Report (DSR) for Nyanza Light Metals (Pty) Ltd (Nyanza)'s applications for an Environmental Authorisation (EA) and Waste Management Licence (WML) for the proposed 80 000 tonnes per annum (tpa) Titanium Dioxide (Ti₂) Pigment Plant is available for review and comment. The DSR will be available for review and comment from 13 July 2022 to 12 August 2022. Chapter 6 of the NEMA requires the applicant to provide all registered Interested and Affected Parties (I&APs) with an opportunity to review and comment on the DSR over a 30-day period. All comments received will be collated into a Comments and Responses Register (CRR) that will be submitted to the KwaZulu-Natal Department of Economic Development, Tourism and Environmental Affairs (KZN EDTEA) and the Department of Forestry, Fisheries, and the Environment (DFFE) as an appendix to the Final Scoping Report. Where required, the comments received will be incorporated into the Final Scoping Report that will be submitted to KZN EDTEA and the DFFE for decision making.

You are receiving this correspondence as a registered Interested and Affected Party on an existing database for previous environmental authorisation processes. Should you no longer wish to receive further information relating to environmental authorisation processes at Nyanza Light Metals (Pty) Ltd (Nyanza) and would like to be removed from the database, please notify SRK Consulting (South Africa) (Pty) Ltd via email at VMasango@srk.co.za/AMatlala@srk.co.za;

As of 1 July 2021, there have been some changes to the Protection of Personal Information Act 4 of 2013 (POPIA) which aims to promote protection of personal information. Should you wish to remain on the database, your information will only be used as part of the public participation process as outlined in the National Environmental Management Act (Act 107 of 1998) and Environmental Impact Assessment Regulation, 2014, as amended. This information will be securely stored and only made available to the regulatory authorities upon request. For more information please see our Privacy Policy.
