Greater Giyani Municipality (GGM) mayor Thandi Zitha on Thursday April 28 launched three special programmes forums namely Gender, Disability and Men's forum. These forums were launched after the previous forums' terms had lapsed. Speaking during the launch, Zitha told members elected to the forums to work with vigour in ensuring that people are served to the best of their ability. "In order to succeed in our quest to overcome problems of gender-based violence (GBV), abusive treatment on disabled people and other social ills, we need men and women with determination and commitment to occupy positions," she added. Meanwhile she congratulated new members to the forums, wishing them well in their endeavours to make the best of their new responsibilities.
