PROPOSED PHOTOVOLTAIC (PV) SAN SOLAR ENERGY FACILITY
ON A SITE NEAR KATHU, NORTHERN CAPE PROVINCE
DEA Ref No. 14/12/16/3/3/2/273

Project Name: San Solar photovoltaic (PV) energy facility on a site near Kathu
Applicant: VentuSA (Pty) Ltd
Location: The facility is proposed on the remainder of farm Wincanton 472, which is located approximately 16km south-east of Kathu, Northern Cape Province.
Proposed Activity: Establishment of a PV solar energy facility and associated infrastructure on the remainder of farm Wincanton 472. The proposed facility will generate ~75MW (91 MW installed capacity) and will include:

- PV panels
- An on-site generator transformer and a small substation to facilitate the connection between the solar energy facility and the Eskom electricity grid.
- An overhead power line.
- Internal access roads.
- Workshop area for maintenance and storage.

Draft EIA Report available for review: A Draft Environmental Impact Assessment (EIA) Report has been prepared by Savannah Environmental and is available for public review. The period for review is from the 26 October 2012 to 26 November 2012. Please submit written comment by 26 November 2012. You are invited to review the reports at one of the following locations:

- Kathu Library (Main road)
- Dibeng Public Library
- Website: www.savannahSA.com

Public Feedback Meeting: All interested and affected parties are invited to attend a public meeting to be held as follows:

- Date: 12 November 2012
- Time: 18:00pm - 19:30pm.
- Venue: Namakwari Lodge, 1 Frikkie Meyer Road, Kathu

To obtain further information and register on the project database, please submit your name, contact information and interest in the project to:

Laerskool Kuruman ~
On The Way Met 'n Lied In My Hart

Laerskool Kuruman het vanaf Dinsdag 16 tot Donderdag 18 Oktober 2012 elke aand hul konsert 'On the way, met 'n lied in my hart' op die planke gehad. Dit het die storie vertel van Ouma (Elzaan Freund) wat erg verveeld is. Sy draai Oupa (A-Jay van Zyl) se arm om met vakansie te gaan. Koos (David Bezuidenhout) en Sarie (Elré Strauss) is baie opgewonde oor die reis deur die land. Elke graad het 'n

ander deel van die land uitgebeeld. Die reis neem hul oral van die ruie veld en die besige stad tot waar hul besef: "oos wes, tuis bes!" Oulike passies, kleurvolle dekor, kreatiewe kostuums en blink grimering was aan die orde van die dag. Die program het pragtig gevloei en dit was duidelik dat Laerskool Kuruman baie moeite en oefening ingesit het om dié konsert 'n sukses te maak. Welgedaan!
Hettie du Plessis

TSANTSABANE LOCAL MUNICIPALITY AND ASSMANG BEESHOEK BURSARY
SCHEME
(TABBS)

Tsantsabane Local Municipality in partnership with Assmang Ltd., Iron Ore Mine, Beeshoek is offering a FULL-TIME study bursary at any University or Technikon within the Republic of South Africa, to the Youth of Tsantsabane, during the year 2013.

Purpose of the Bursary

To assist the youth of Tsantsabane with pursuing careers that will contribute towards the development and upliftment of their area of birth and residence.

Who has to apply?

Students in possession of a Matric Exemption (University/Technikon Entrance).
Students who are already accepted at Universities or Technikons for studies during the Academic Year 2013 for their First, Second or Third Years of Study. The Bursary does not pay for a Bridging Course.
Students who are already studying at Universities or Technikons.

For enquiries and application forms contact:

The Office of the Honourable Mayor (Tsantsabane)
Special Programmes Office
13 Springbok Street
Postmasburg
8420

Contact Person:
Itumeleng Molele 053 3137300 or 0786667639
tuqsmolele@gmail.com

Application forms are available at the Municipality Reception

Fully completed application forms should reach the above mentioned office before 16h00 on or before the 09 January 2013.

Upington Landbou Expo vanjaar propvol vermaak

UPINGTON: Die wiede is reeds, direk na verlede jaar se skou, aan die rol gesit om vanjaar se Expo weer een van die grootstes te maak.

Andrè Mostert, kunstenaars in Suid-verantwoordelik vir Afrika wat hier sal die vermaak by die optree, soos onder Upington Landbou andere Dozi, George Expo, sê kontrakte is Longane, Alleen na reeds geteken met van Desember, Klopjag, die bekendste Jannie Moolman,

trek, 'n Yorkshire terrier liefhebber se hartsnare Bianca La Grange, kompetisie, baba-kom- wees om vanjaar se CH2, Ek hou van jou, petisie, 'n plaaswerf, skou nog meer okay, Le Lue en die jeugskou, trekker opwindend te maak. Jennifer Zamudio, gimkana, braaikom- Vir enige navrae Verskeie prettige petisie en daar sal selfs skakel die skoukantoor aktiwiteite, soos tou- iets vir die perde- by 054 331 2105.

Upington Landbou Expo 3 tot 5 Mei 2012

Groot sports op trekkers by skou

UPINGTON: Die meeste van ons weet hoe prettig 'n gimkana kan wees, maar hoe sal 'n trekker gimkana nie die maagspiere kielie nie?

Die skoukomitee het besluit om vanjaar 'n trekker gimkana tydens die Upington Landbou Expo te hou. Die mense van ons streek is mos almal baie knap op 'n trekker. Kinders ry al trekker vandat hulle voete die pedale kan bykom. Dis nie maklik om 'n plaas sonder 'n trekker op te spoor nie en boer se kind kan mos 'n trekker in sy slaap dryf.

Almal wat belangstel kan Pieter Saunderson skakel by 082 411 3121.

OMGEWINGSIMPAKSTUDIEPROSES

Kennisgewing 22/2011

DENC VERW: NC/EIA/SIY/KHA/UPI2/2012, NEAS VERW: NCP/EIA/0000126/2012

Ingevolge die Omgewingsimpakevalueringregulasies wat gepubliseer is in Staatskennis-gewing Nr R. 543 (Staatskoerant Nr 33306, gedateer 18 Junie 2010) in terme van Hoofstuk 5 van die Nasionale Omgewingsbestuurswet (Wet nr. 107 van 1998), geskied kennis hiermee dat 'n **bestekopname-en-omgewingsimpakstudieproses onderneem word in verband met die beoogde ontwikkeling van 'n eko-landgoed en verwante infrastruktuur ongeveer 30 km buite Upington.**

Aansoeker: Deo Gloria Olive Estate (Edms) Bpk

Die volgende aktiwiteite, gelys in Staatskennisgewings R. 544, R. 545 en R. 546 in terme van die Nasionale Omgewingsbestuurswet (Wet 107 van 1998), is van toepassing op die beoogde ontwikkeling:

- * R. 544, Aktiwiteit 10(i); 11(vi) en (xi); 18(i); en 22(ii)
- * R. 545, Aktiwiteit 15
- * R. 546, Aktiwiteit 5(d)(i)(cc); 6(a)(ii); en 14(a)(i)

Ligging: Restant van die Plaas Vaalkoppies Nr. 40, ongeveer 30 km buite Upington, op pad na Groblershoop, langs die N10.

'n Aansoek om omgewingsmagtiging deur middel van 'n bestekopname-en-omgewingsimpakstudieproses is by die Noord-Kaapse Departement van Omgewing en Natuurbewaring ingedien en aanvaar. 'n Bestekopname- sowel as 'n omgewingsimpakstudieverlag sal dus opgestel en as konsepdokumente aan alle geregistreerde geïnteresseerde en geaffekteerde partye beskikbaar gestel word vir kommentaar, waarna dit gefinaliseer sal word en by die bogenoemde departement ingedien sal word vir oorweging en besluitneming.

PUBLIEKE DEELNAMEPROSES

Vir meer inligting, of om te registreer as 'n geïnteresseerde en/of geaffekteerde party, stuur asseblief voor of op **29 Maart 2012** u naam, kontakbesonderhede, kommentaar en belang by die aangeleentheid skriftelik aan die onderstaande kontakpersoon. Meld asseblief in u kommentaar die bostaande verwysingsnommer en verklaar ook enige sake-, finansiële, persoonlike of ander belang wat u by die goed- of afkeuring van die aansoek mag hê.

KENNISGEWING VAN 'N OMGEWINGSIMPAKEVALUERINGSPROSES OPENBARE DEELNAMEPROSES

VOORGESTELDE FOTOVOLTAÏESE (FV) SAN SOLAR KRAGANLEG OP 'N TERREIN NABY KATHU, NOORD-KAAPROVINSIE

DEA Verwysingsnommer 14/12/16/3/3/2/273

Projeknaam: San Solar fotovoltaïese (FV) kragaanleg op 'n terrein naby Kathu, Noord-Kaapprovinsie

Applikant: VentuSA (Edms.) Bpk.

Voorgestelde Aktiwiteit: Die oprigting van 'n FV sonkragaanleg en gepaardgaande infrastruktuur op die Restant van die plaas Wincanton 472. Die voorgestelde aanleg sal ~75 MW krag opwek, en sal die volgende insluit:

- * FV panele met 'n opwekkingsvermoë van 75 MW;
- * 'n generatortransformator op die terrein en 'n klein substasie om die konneksie tussen die sonkragaanleg en Eskom se kragnet te bewerkstellig;
- * 'n oorhoofse kraglyn;
- * interne toegangspaaie; en
- * 'n werksinkelgebied vir instandhouding en bergplek.

Ligging: Die aanleg word voorgestel op die Restant van die plaas Wincanton 472, sowat 16 km suidoos van Kathu in die Noord-Kaapprovinsie. Die studiegebied val onder die Gamagara Plaaslike Munisipaliteit.

Ingevolge Artikel 24 en 24D van die Nasionale Wet op Omgewingsbestuur (Wet 107 van 1998), saamgelees met die OIE-regulasies van Staatskennisgewing R543 – R546, word 'n Bestekopname- en 'n OIE-studie vir hierdie voorgestelde projek verlang. Die projek is by die Nasionale Departement Omgewingsake geregistreer onder Aansoekverwysingsnommer **14/12/16/3/3/2/273**.

Openbare Deelname: Savannah Environmental onderneem die nodige omgewingsevaluering en openbare deelnameproses. Die Konsep Bestekopnameverslag is beskikbaar vir openbare kommentaar by die Kathu Biblioteek, Hoofstraat, Kathu, Dibeng Biblioteek en by www.savannahsa.com tussen **16 Maart 2012 en 18 April 2012**.

Openbare Vergadering: Alle belangstellende en geaffekteerde partye word uitgenooi om 'n openbare terugvoervergadering by te woon wat op **2 April 2012** by die **Namakwari Lodge, 1 Frikkie Meyer Road, Kathu om 18:00 - 19:30** gehou sal word:

Ten einde meer inligting te bekom en op die projek se databasis te registreer, verstrek asseblief u naam, kontakbesonderhede en belang by die projek aan:

SUSTAINABLE FUTURES ZA

KAI !GARIB MUNISIPALITEIT

KONSTRUKSIE VAN 193 LAE-KOSTE HUISE TE KAKAMAS EN KENHARDT

KENNISGEWING 004-2012 : HER-ADVERTERING

Tenders word hiermee gevra vir die konstruksie van 193 lae-koste huise te Kakamas (127) en Kenhardt (66).

Tenderdokumente is verkrygbaar van BVi Raadgewende Ingenieurs, Murraylaan 7, Upington, teen 'n kontantdeposito van R200-00 per dokument. Hierdie deposito is nie terugbetaalbaar nie.

Verseëde tenders gemerk, "**KONTRAK 004-2012 : KONSTRUKSIE VAN 193 LAE-KOSTE HUISE TE KAKAMAS (127) EN KENHARDT (66)**" moet die Munisipale Kantore te Keimoes voor of op **Woensdag, 4 April 2012 om 12h00** bereik of in die tenderbus geplaas word en sal direk daarna in die Komiteekamer van die Munisipale Kantore te Keimoes geopen word.

Die volgende voorwaardes sal geld:

- Pryse moet geldig bly vir negentig (90) dae vanaf tendersluitingsdatum.
- Pryse moet BTW inklusief wees.
- Definitiewe afleweringstermyn moet aangedui word.
- Tenders sal oorweeg word in terme van die toepaslike punteformule, soos bepaal deur die Raad se **Voorsieningskanaalbestuursbeleid, 'n Oorspronklike of gesertifiseerde B-BBEE Status Vlak Verifikasie Sertifikaat moet die tender vergesel om die B-BBEE telling te staaf.**
- Tenders wat laat ontvang word, of onvolledig is sal nie in aanmerking geneem word nie en die laagste of enigste tender sal nie noodwendig aanvaar word nie. Tenders per faks of e-pos sal ook nie oorweeg word nie.
- NHBRC registrasies en toepaslike CIDB gradering is van toepassing;
- Tendersaars moet 'n oorspronklike belastinguitklaringsertifikaat **vir tenders**, uitgereik deur die Suid-Afrikaanse Inkomstediens, saam met die tenderdokument indien.
- Tenders wat by ander punte as die amptelike tenderbus geplaas word, sal as laat ingehandig en nie in aanmerking geneem word nie.
- **Tendersaars moet genoegsame bewys in die tender dokument voorsien dat hulle finansiële sowel as tegniese in staat is om die projek suksesvol te voltooi.**
- Tenders moet vergesel word met laaste drie 3 jaar se finansiële state.
- 'n **GB 6 CIDB registrasie** is 'n vereiste vir hierdie kontrak.

Die 90/10 punteformule, soos bepaal in terme van die Wet op die Raamwerk vir Voorkeurverkrigingsbeleid, **2005**, sal gebruik word om die tender te oorweeg. 'n Tender moet ook 'n oorspronklike Belasting Uitklaringsertifikaat **vir tender**, uitgereik deur die Suid-Afrikaanse Inkomstediens, saam met die Tenderdokument terugstuur. 'n Tender sal nie oorweeg word nie indien daar nie 'n Belasting Uitklaringsertifikaat **vir tender** aangeheg is nie. Tendersaars moet CIPRO dokumente voorsien **om eienaarskap te bevestig.**

'n Verpligte terreininspeksie sal om **10h00 op Woensdag, 14 Maart 2012** in die Raadsaal van Kai !Garib Munisipaliteit te Kakamas begin. Vir verdere inligting kontak die Raadgewende Ingenieurs by Telefoon 054 - 3376600.

J. MAC KAY, MUNISIPALE BESTUURDER, Kai !Garib Munisipaliteit, Privaatsak X6 KAKAMAS, 8870

PUBLIC PARTICIPATION PROCESS

PROPOSED PHOTOVOLTAIC (PV) SOLAR ENERGY FACILITY ON A
SITE NEAR KATHU, NORTHERN CAPE PROVINCE
DEA Ref No. 14/12/16/3/3/2/273

Project Name: Sun Solar photovoltaic (PV) energy facility on a site near Kathu, Northern Cape.
Applicant: VersuSA (Pty) Ltd
Proposed Activity: Establishment of a PV solar energy facility and associated infrastructure on the remainder of farm Wilcoxon 472. The proposed facility will generate ~75MW and will include:
• An on-site generator transformer and a small substation to facilitate the connection between the solar energy facility and the Ekimom electricity grid.
• An overhead power line.
• Internal access roads.
• Working area for maintenance and storage.

Location: The facility is proposed on the remainder of farm Wilcoxon 472, which is located approximately 10km east-west of Kathu, Northern Cape Province. The study area falls within the boundaries of the following municipalities:
• In terms of section 24 and 24D of the National Environmental Management Act (No. 107 of 1998), as amended, the Environmental Impact Assessment (EIA) Regulations of 2010 (GN R543 - GN R544), a Scoping and EIA Study will be required for the proposed project. The project has been registered with the National Department of Environmental Affairs under Application Reference Number 14/12/16/3/3/2/273.

Public Participation: Savannah Environmental is undertaking the required environmental assessment and public participation process. The Draft Scoping Report is now available for public comment at the Kathu Library, Main road, Doring Public Library and at the following addresses:
• The Public Meeting on interested and affected parties are invited to attend a public feedback meeting on the 2 April 2012, at the Namakwari Lodge, 1 Frikkie Meyer Road, Kathu at 18:00h - 19:30h.

Public Comment: Interested and affected parties are invited to attend a public feedback meeting on the 2 April 2012, at the Namakwari Lodge, 1 Frikkie Meyer Road, Kathu at 18:00h - 19:30h. Comments should be submitted to the project database, please submit your name, contact details and address in the proposal to:

DATE OF NOTICE: MARCH 2012

UIT DIE WOORD

Hoog in die mode ds Hennie van Schalkwyk

Openbaring 7 vers 14 (b) "Dit is die wat uit die groot verdrukking kom. Hulle het hul klere gewas en dit wit gemaak in die bloed van die Lam"

Die bekende uitdrukking, "die klere maak die wit voel", was sekerlik nie sonder goeie rede deur die jare gebruik nie.

Die ou testament wemel van voorbeelde van hoe mense geklee was en duidelik ook waarom 'n spesifieke kleding gedra was. So het bv. die weduwees, die profete, die priesters en die konings spesifieke klere gedra waaraan hulle geken kon word. Spesifieke heilige klere was vir Aäron en sy seuns gemaak, in pers en purper rooi (Exod.39:1)

Die algemene drag het bestaan uit 'n onderkleed wat met 'n gord saamgebind was en gemaak van wol of linne, so ook die gord

wat later van leer gemaak was. Bo die onderkleed was die bo-kleed gedra wat ook saans deur die armes as 'n kombers gebruik was. Die klere van die kleding het 'n simboliese betekenis gehad. Wit was die kleur van oorwinning (Openb. 6:2) en van reinheid (Mark. 16 : 5); swart die van hongersnood (Openb. 6:5) en van smart, rou en dood (Ps 42:10); rooi beteken oorlog (openb. 6:4); purper beteken koninklike waardigheid (Luk.16:19) en blink klere dié van hemelse en heilige wesens.

Is u bekend met die geskarrel voor 'n klere kas wat so vol is dat daar geen plek vir 'n boodskap in meer is nie, net om te hoor "ek het

wragtie niks om aan te trek nie! Jaarliks spandeer mense duisende rande om "reg" gekleed te wees vir die Durban July perde wedren! Net om die volgende jaar dieselfde deur te maak. Modes kom en gaan, en dit kos baie geld om daarmee tred te hou. Weldra is vandag se drag oud modies – en maak 'n paar jaar later weer sy opwagting in dieselfde gedaante!

Paulus sê in Rom. 13 :14 : "Beklee julle met die Here Jesus Christus". Interessant om te sien dat mense bereid is om duisende te betaal vir klere modes wat kom en gaan, maar hoe min en onwillig baie is om net hul lewens volgens die wil van God in te klee! Al wat ons dus eintlik nodig het om altyd geestelik in die mode te bly is dat ons klere (ons lewens) wit gewas moet word deur die bloed van Jesus. Dit is 'n eenmalige gebeurtenis – die kleding hoef nooit

weer vervang te word nie. Daarvoor het Hy aan die kruis vir ons gesterf. Geen ander kleding is nodig om saam met Hom rondom die hemelse troon te staan nie.

Veel leef onder die verstande dat die kleding in wit eers by die oordeelsdag geskied. Feit is dat ons nou reeds hier die kleding van kinders van God moet vertoon. Kinders van die Here moet hulself nou reeds op aarde identifiseer as die nuwe mense! (Vgl. Ef.4: 24 en Kol, 3:14) Dis nou reeds hier, volgens Openbaring 3:5, waar die oorwinning oor die sonde behaal moet word en die wit klere ontvang sal word. Daar sal dus nie gewag word tot die laaste dag om soos kinders van God te lyk nie! Nou al kan ons vertoon as die sout van die aarde en die lig van die wêreld – altyd in die mode, klere vir elke seisoen!

AMEN

Transnet Port Terminals, an operating division of Transnet SOC Limited, requires the services of suitably qualified persons at their Saldanha Terminals.

Engineering Technician – Instruments & Control

• Maintenance Department • Ref: SLD/ENG TECH/10/12

The successful candidate will provide a professional, economical and reliable technical and engineering service by repairing and maintaining high and low voltage electronic control systems to meet the needs of the Terminal.

Minimum requirements: • Matric • National Technical Diploma, National Diploma or equivalent (Electrical) • Qualified Technician or Electrician • valid driver's licence • Project Management • 5 years' electrical experience in a plant with electronic control systems.

Key performance areas: • research, develop, control and implement electrical and electronic capital and refurbishment projects to improve the availability and performance of existing and new equipment with the minimum interference to the normal operation of the plant • repair, maintain and optimize computerized control system, weighing equipment, PLC's, Supervisory Control and Data Acquisition Systems, variable speed drives and other measuring equipment ensuring optimum reliability and availability of the plant • provide a 24 hour technical support service on computerized control systems and all electrical equipment to ensure the minimum loss of productivity in the event of a break-down.

Knowledge: • Programmable Logic Controllers (PLC's) • variable speed controllers (VSD's) and weighing equipment • System Control and Data acquisition (SCADA) • computerized control systems • high voltage protection

Skills: • Human Relations • Fault finding on electrical and electronic equipment • Auto Cad software • changes on electrical and electronic circuitry • OSH ACT.

Technical Supervisor - Mechanical

• Maintenance Department • Ref: SLD/TECH SUPE/10/12

The successful candidate will supervise the mechanical maintenance team at the Bulk Terminal in order to ensure the safe, cost effective and efficient maintenance of the mechanical and structural systems of bulk handling equipment thereby contributing to the Terminal's objectives of meeting and exceeding the client's requirements.

Minimum requirements: • Qualified Artisan (Mechanical Trade) • supervisory certificate • valid Code 08 driver's licence • 5-7 years' experience in maintenance of bulk material handling equipment • medically fit • be prepared to work overtime and weekends when required • able to work at heights.

Key performance areas: • supervise the execution of scheduled maintenance to ensure that plant equipment is effectively maintained at optimal availability • plan, schedule and manage the execution of major repairs during the annual shutdown to ensure that all major works are efficiently completed within the occupation window • provide technical specialist support to artisans during equipment breakdowns thereby minimizing the impact on the Bulk Terminal's operations • conduct root cause analysis of equipment failures to determine areas of improvement in equipment performance thereby ensuring that the overall performance of the Bulk Terminal continuously improves such that a more efficient, effective and reliable service may be provided to its client • monitor, manage and report on controllable expenditure of team's budget to ensure that the Maintenance department's budgetary targets are met • enforce the application of the Occupational Health and Safety Act and other applicable risk, safety and environmental legislation, policies and procedures within the maintenance team thereby ensuring that the Bulk Terminal remains compliant with all relevant legislation, policies and procedures • compile, execute and monitor the application of the Individual Development Programme (IDP's) for all staff members to ensure that departmental training targets are met and that employees are continuously development thus contributing to a skilled and motivated workforce • monitor staff performance and take corrective action in order to ensure a motivated and productive workforce • enforce the application of the organisational disciplinary code in compliance with Labour legislation to ensure that an accepted level of discipline is maintained within the mechanical team.

Knowledge: • major mechanical systems (hydraulics, pneumatics, electro-mechanical drives) • root cause analysis • reliability centred maintenance system • procurement procedures • Transnet policies and procedures (HR, ER, etc.) • SAP Maintenance module • basic project management • supervisory principles • disciplinary procedures • NOSA Systems • safety procedures • business continuity management planning.

Skills: • computer literate • supervision • communication • problem solving • teamwork • initiative • interpersonal • decision making under pressure • maintenance management • leadership • coaching • report writing.

Maintenance Planner (3 Posts)

• Maintenance Department • Ref: SLD/MAINT PLAN/10/12

The successful candidates will be responsible for: • the compilation and continuous improvement of maintenance plans for all company assets • planning of maintenance major repairs in line availability of equipment • planning and scheduling of preventive maintenance tasks noted continual inspections of equipment • SAPM super-user.

Minimum requirements: • Artisan Trade Test Certification or National Diploma qualification/certification (S4) • valid Code 08 driver's licence • 3-5 years' experience as a maintenance artisan • 1-2 years' technical experience • knowledge of related plant equipment maintenance and SAP_PM.

Key performance areas: • continuous update of Master data in line with the latest available maintenance best practices • accurate capturing of SAP documents and Master data for all new, current and retired equipment • allocation and monitoring of standard tasks durations • liaise with Technical Supervisors to ensure that sufficient resources and spares are available for the execution of the planned maintenance repairs • recommend and ensure that all critical spares are on stock • ensure that all Spares are connected to Bills of Material • jointly plan with Operations in order to ensure the availability of equipment for maintenance slots • scheduling of maintenance repairs and allocation of resources and materials on SAP accurately • long and short term planning of maintenance windows • plan machinery shut downs for maintenance purposes • **Analysis:** draw reports and analysis problems and suggest action to be taken • assist with maintenance initiative to optimize maintenance processes • recommend policy and procedure changes in line with overall strategy • assist in compiling SOP's and to maintain the SOP register • provide equipment information necessary for the preparation of the maintenance budget plans • **Site Super User for SAP_PM in the terminal:** to provide SAP_PM guidance coaching to maintenance personnel maintain all assets registers and liaise with Finance Manager to update asset records • assist with equipment information necessary for the development of Specifications • provide maintenance with equipment failure trends and related expenses • provide necessary information and records for the NOSA, Risk and ISO Systems where required for audit purposes.

Knowledge: • computer literate • SAP_PM literate • knowledge of applicable tools and equipment • Code of Practice 29 & 30 • knowledge and application of OHS Act.

Skills: • leadership • communication • ability to work as a team member • problem solving • decision making • interpersonal • budgeting.

Please forward your complete CV, stating the position of interest, to: The Recruitment Manager, Private Bag X8, Saldanha, 7395. Tel: (022) 703 4432. Fax: (022) 703 4401.

Uppies na Eskom Expo

Vier van Hoërskool Upington se leerders het onlangs aan die Eskom Expo vir jong wetenskaplikes by Postmasburg deelgeneem. Rene Steenkamp, Marike Loots, Jacquene Minnaar en Greta van Staden het hulle goed van hul taak gekwynt en al vier het weggestap met toekennings. Marike Loots ontvang goud, Rene Steenkamp en Greta van Staden kry silwer en Jacquene Minnaar ontvang 'n brons toekenning. Vlnr: Marike Loots, Greta van Staden, Rene Steenkamp en Jacquene Minnaar.

Fanie Malan Kerskunsmark

UPINGTON: Voorbereidingskool Fanie Malan hou vanaf 6 – 10 November hul gewilde Kerskunsmark in dié skool se skoolsaal.

Die deure sal op 6 – 9 November vanaf 09:00 tot 19:00 oop wees en op 10 November vanaf 09:00 tot 13:00.

Soos oudergewoonte sal daar weer 'n teetuin met heerlike eetgoed en 'n gesellige kuier area wees.

Daar is ook die jaar baie nuwe uitstallers, waar die mees kreatiewe en unieke produkte, ideaal vir kersgeskenke, te koop aangebied sal word. Moet dit nie misloop nie.

KENNISGEWING VAN 'N OMGEWINGSIMPAKEVALUERINGSPROSES OPENBARE DEELNAMEPROSES

VOORGESTELDE FOTOVOLTAÏESE (FV) SAN SONKRAGAANLEG OP 'N TERREIN NABY KATHU, NOORD-KAAPPROVINSIE
DO Verwysingsnommer: 14/12/16/3/3/2/273

Projeknaam: San Fotovoltaïese(FV) Sonkragaanleg op 'n terrein naby Kathu
Appikant: VentuSA (Edms.) Bpk.
Ligging: Die aanleg word voorgestel op die restant van die plaas Wincanton 472, sowat 16 km suidoos van Kathu in die Noord-Kaapprovinsie.
Voorgestelde aktiwiteit: Die oprigting van 'n FV sonkragaanleg en gepaardgaande infrastruktuur op die restant van die plaas Wincanton 472. Die voorgestelde aanleg sal ~75 MW (91 MW geïnstalleerde vermoë) opwek, wat die volgende infrastruktuur sal insluit:

- FV paneel;
- 'n generatortransformator op die terrein en 'n klein substatie om die verbinding tussen die sonkragaanleg en Eskom se kragnet te bewerkstellig;
- 'n oorhoofse kraglyn;
- interne toegangspaaie; en
- 'n werksinkelgebied vir instandhouding en berging.

Konsep OIE-verslag beskikbaar vir besigtiging: 'n Konsep Omgewingsimpakevalueringsverslag (OIE-verslag) is deur Savannah Environmental opgestel en is vir openbare besigtiging beskikbaar.
