**MEETING BETWEEN MARULA AND HACKNEY DEVELOPMENT COMMITTEE  
HELD ON THE 17 SEPTEMBER 2018 AT MARULA MINE.  
MINUTES**

**1. Opening**

The meeting was officially opened by P Dlamini who requested one member from the Hackney Development Committee to open the meeting with a prayer.

The allowed Mr P Dlamini to chair and facilitate the meeting, which he did.

**2. Introduction and Apologies.**

Marula tendered an apology on behalf of Mr Isaiah Maile who was going to join the meeting later. HDC indicated that some of its members were also going to join the meeting a bit later.

Mr Malapane made a humble request to present in the meeting to be allowed to use his cell phone to record the proceedings of the meeting for future reference. The meeting allowed him to do so.

Mr Dlamini, gave the following updates on the issues that were discussed in the last meeting:

**3. Abandonment of Hackney PR by Marula**

P Dlamini stated that the rights underlying part of the farm Hackney 116 KT were acquired by Impala Platinum Limited (“Impala”) from Rustenburg Platinum Mines Ltd in terms of the provisions of the now repealed Mineral Act 50 of 1991 prior to the promulgation of the Mineral and Petroleum Resources Development Act 28 of 2002, as amended (“MPRDA”).

Impala applied for a prospecting right on part of the farm Hackney 116 KT in terms of the MPRDA which was granted and executed in 2006 for a period of 4 years. Impala subsequently ceded and transferred the said prospecting right to Marula Platinum (Pty) Ltd in terms of section 11 of the MPRDA and the consent to cede was acquired from the Minister of Mineral Resources (formerly “Minerals and Energy) and the deed of cession was finalised and signed by the Parties.

Marula was on several occasions denied access to the farm to conduct prospecting activities due to a number of demands from the affected communities through their representatives.

Marula’s inability to prospect coupled with the adverse economic situation currently facing the platinum industry (low metal price and rising cost), resulted in Implats and Marula Boards making a decision to the effect that Marula abandons/dispose of its Hackney PR to curb the costs.

Marula made a decision to give preference to the affected communities to lodge an application in terms of section 104 of the MPRDA if it so wishes. To this effect, Marula undertook to allow the affected communities to look for a strategic/technical partner of its own choice with whom they were going to prepare and lodge an application to DMR as per the provisions of the MPRDA. Marula met with several companies which were brought to the mine by some individual members of the

HDC. These meetings were information sharing sessions with companies who were showing interests in partnering with Hackney communities.

One meeting was held at DMR, in which DMR indicated that they will wait for an application and process same in terms of the MPRDA.

The meeting resolved that Marula provides HDC with a letter clearly stating its position on the Hackney PR including its original preference that the community be given a change to prepare and lodge an application with its own strategic partner. It was further resolved that Marula should only submit its application for closure once the said letter has been signed and provided to HDC.

The meeting to have the letter referred to above finalised and signed was scheduled for the 10 September 2018 at Marula.

#### **4. Employment of 10 Hackney people**

HDC indicated that Marula's HR undertook to recruit 10 people from the Hackney communities for employment at the mine. However, the 10 people were recruited and employed by the contractors and not by the mine as originally agreed.

Marula undertook to consult with its HR officials and revert with its position in the next meeting. The matter was therefore referred to the meeting of the 10 September 2018 for a feedback.

#### **5. Closure**

P Dlamini officially close the meeting at 11:20

Sir

**APPLICATION FOR A RENEWAL OF PROSPECTING RIGHT: MARULA PLATINUM (PTY) LTD, ON PORTION OF THE FARM HACKNEY 116 KT, IN THE MAGISTERIAL DISTRICT OF SEKHUKHUNE.**

I refer to the abovementioned matter and I confirm that your application for renewal of a prospecting right of **Gold Ore, Nickel Ore, Silver Ore, Cobalt, Chrome Ore, Copper Ore Sulphur (in pyrite) & Platinum Group Metals** in terms of section 18 of the Mineral and Petroleum Resources Development Act, 2002 (Act 28 of 2002) has been acknowledged and it will be processed further.

Please be informed that in terms of Section 18(5) of the MPRDA, a prospecting right in respect of which an application for renewal has been lodged shall, despite its stated expiry date, remain in force until such time as such application has been granted or refused.

It would therefore be advisable to continue with your payment of prospecting fees as per Section 76(1) (c) of the Regulations of the Act. For ease of reference a copy of the relevant section is attached.

Yours faithfully.....
