Dear Sir/Madam

GA Environment (Pty) Limited has been appointed by the Department of Environmental Affairs on behalf of the Siyathemba Local Municipality to undertake a Scoping/Environmental Impact Assessment (EIA) and a Waste Licence Application for the proposed licencing of the existing Niekerkshoop landfill site, Northern Cape province. The Siyathemba Local Municipality intends to licence the Niekerkshoop landfill for operation. The Niekerkshoop landfill is located on Erf 1000 Niekerkshoop and on the Western outskirts of the Niekerkshoop town. The site co-ordinates are 29°19'48.29"S; 22°49'41.92"E.

The main objective of the process is to obtain the required licencing from the Competent Authority (Northern Cape of Environment, Nature and Conservation), for operational purposes. The Scoping and EIA process aims to identify potential environmental impacts associated with the proposed licencing of the landfill site; as well as any alternative development / activity and to compile appropriate mitigation measures.

Should you wish to register as an I&AP or to make suggestions and/or comments on this proposal, kindly provide contact details (preferred method of communication, e.g. e-mail address or fax number) and an indication of any other interest which you (or the organisation you represent) have in the application to **Name:** Nkhensani Khandlhela at **Tel:** 011 805 1950, **Fax:** 011 805 1950, **E-mail:** nkhensanik@gaenvironment.com or **Post:** P.O Box 6723 Halfway House 1685. Please register your interest in the project before **16th November 2015**.
