Morning

Attached is our comment form, stating how we will be affected by the proposed mining activities. We only heard of this on Tuesday evening telling us of the meeting, but we could not attend, as we were in the Drakensberg Mountains and we only returned home yesterday.

We are therefore grieved that there has not been any consultation with us in this regard. Our postal address is P.O. Box 480 Sunda, 2200.

Please reply to this email with further communication and acknowledgement of receipt of complaints/comments.
