Attention: Ronel Dreyer

MIDVAAL LOCAL MUNICIPALITY COMMENT FOR THE PROPOSED DEVELOPMENT ON PORTION 8 OF THE FARM RIETSPRUIT 152-IR.

The proposed land development on the abovementioned property is located within the jurisdiction of Midvaal Local Municipality.

The proposed township development directly affects our Spatial Planning and Land Use Management directives and policy as outlined in the Midvaal Integrated Development Plan and Spatial Development Framework of 2021/22.

In terms of the Midvaal Spatial Development Framework 2020/2021, the area in which the proposed development is envisaged is located outside the demarcated municipal Urban Development Boundary and is earmarked for "Conservancies" purposes with the existing land uses comprising mainly of agricultural /rural residential purposes.

Considering the above-mentioned framework policy and reference to the Environmental Impact Assessment Process in respect of the abovementioned project, Midvaal Local Municipality hereby would like to register as an interested and affected party due to the above said reasons.

Furthermore, the applicant is not exempted from submitting a land development application in terms of Section 44 of the Midvaal Local Municipality Spatial Planning and Land Use Management By-Law for consideration.

.../2

It must be stated that the views/opinions and information herewith contained are provided without prejudice to whatever information may in future be provided to or attained by Council, and that Council would be at liberty to later amend or review its stance related hereto.

Should you require any additional information, please contact the writer during normal office hours.

Yours faithfully

A handwritten signature in black ink, appearing to read 'Fusi Puthini', with a stylized flourish at the end.
