Good afternoon,

Find attached the Background Information Document (BID) for a Basic Assessment (MDEDET Ref No.: 17/2/3N-277) and a GA/WUL Application to construct the Hlalanikahle Sewer Network, Emalahleni Local Municipality, Nkangala District Municipality, Mpumalanga Province. Please take the time to review the BID and register should you have an interest in or be affected by the proposed developments.

We are in the process of identifying all potential interested and affected parties, and wish to include all stakeholders likely to be influenced by the activity to which the application relates. One such method of achieving this is the

'Network' or 'Chain Referral System'. Please can you be so kind as to provide us with the name and contact details of a relevant stakeholder with whom you recommend we should engage on matters of this nature.

Note that a Public Site Meeting has been scheduled at the Hlalanikahle Police Station for 10h00 on Friday 22nd March, 2013. Please inform us if you will be attending so that we can arrange and provide you with a meeting place and time.

Do not hesitate to contact us should you have any queries or concerns.

Thank you and keep well.
