Dear Sir / Madam

NOTICE OF ENVIRONMENTAL BASIC ASSESSMENT EXTENSION OF THE KATHU CEMETERY

The Gamagara Local Municipality (Gamagara Municipality) proposes to extend the cemetery of the town of Kathu. The Kathu Cemetery is located approximately 3.5 km north-east of central Kathu on the remaining extent of the farm Uitkoms 463 (immediately East of the N14 road), and falls within the Gamagara Municipality and John Taolo Gaetsewe District Municipality, in the Northern Cape.

The Kathu Cemetery will be extended by 5 hectares (ha) to the south on land owned by the Sishen Iron Ore Company (Pty) Ltd (SIOC). The cemetery is nearing capacity and the extension is necessary due to saturated cemetery facilities, and the rapid expansion of the town of Kathu which is partly due to the resettlement of the

Dingleton residents. SIOC is in the process of relocating the town of Dingleton, situated immediately west of the current Sishen Iron Ore Mine (Sishen Mine) pit, to the phase 4 (f-h) development on the farm Sekgame 461 directly south-east of Kathu. The 5 ha cemetery extension will be transferred to the Gamagara Municipality through a land swap agreement as part of the Dingleton Resettlement project.

An environmental basic assessment is required in terms of the National Environmental Management Act (NEMA, No 107 of 1998) as amended, and the EIA Regulations (Government Notice Regulation (GNR) 982 – 985, published 4 December 2014). Notice is hereby given that the Gamagara Municipality will be submitting an application for the Extension of the Kathu Cemetery to the Department of Environment and Nature Conservation (DENC) as the competent authority.

In accordance with the EIA Regulations, the draft basic assessment report (BAR) will be submitted to the DENC. At the same time it will be made available for review by the public, relevant organs of state and other government departments for a period of 30 days.

The public review period will be from 20 May to 22 June 2015. Issues and concerns received from stakeholders during the review of the draft BA report will be considered in the final BA report. Thereafter the reports will be updated and resubmitted to the registered interested and affected parties (IAP’s) and to the DENC as the final BA report. Further correspondence will provide specific review dates. The reports will be available for review at the following locations:

Vroue bid saam op Kathu

Ter viering van die 85ste Wêreldbid-dag vir Vroue het 'n groep vroue van Kathu op Donderdagaand 5 Maart 2015 in die NG Kerkzaal bymekaargekom om vir verskeie kwessies te bid. Dit het onder andere huishoudelike geweld, armoede, korrupsie en tienermoeders en tieners ingesluit. Onder die bekwame leiding van programleier Carlise Brooks, Jeugwerker by die NGK Kathu, is daar eers saamgesing voordat tot die groepgebede oorgegaan is. Veral die aandoenlike woorde "I am not a slave of fear anymore, I am a child of God" uit 'n bekende gospel-lied het menige vrou diep geroer.

Uppington Kampus hou Biddag vir Vroue

Meer as 200 vroulike studente en personeel van die Uppington Kampus van NCR TVET College het op Vrydag 6 Maart 2015 deelgeneem aan die Wêreldbiddag vir Vroue. Louise Grobbelaar van die AGS Lofoord gemeente (teen die bord) het die dames toegesprek uit Johannes 15 met die vraag wat Jesus aan sy dissipels gevra het: "Wat sê julle het ek vir julle gedoen?" Sy het die studente met die versekering gelaat dat elke druppel bloed van Jesus aan elke dame teenwoordig sê dat Hy haar liefhet. Die kampus se koor (links op die foto) het ook opgetree en is staande toegejuig vir hul sang.

Geestelike ervarings by vrouekamp

Die interdenominasie organisasie Kampe vir Christus het van 6 tot 8 Maart 2015 'n vrouekamp by die Pro Regno kampterrein buite Barkly-Wes aangebied.

Kampe vir Christus staan onder gesag van Covering Ministries, River of Life, Kanaän Bediening van Kaapstad en Hill Songs van Australië.

Verskeie sprekers het die sowat 250 vroue van regoor die land toegesprek en verskeie dansgroepe het opgetree met lofprysinge.

Onderwerpe soos vergifnis, Ester, die

weduwee se kruik, die Hemelse Hofsaal, restaurasie en Die Venster van Tyd is behandel.

'n Gemoedelike en liefdevolle atmosfeer het deurentyd geheers en almal was intens bewus van die heerlikheid en teenwoordigheid van God, van begin tot einde.

Kampe vir Christus gaan van 17 tot 19 Mei 2015 'n manne-kamp aanbied by die Deo Gloria kampterrein, ook buite Barkly-Wes, asook 'n interessie en profetiese kamp in Oktober 2015, ook by Deo Gloria.

Status: SUBMITTED

HeritageAuthority(s): SAHRA

Case Type: Section 38 (1) - Decision from Heritage Authority required

Development Type: Public Facilities

ProposalDescription:

The Gamagara Local Municipality (Gamagara Municipality) proposes to extend the cemetery of the town of Kathu. The Kathu Cemetery is located approximately 3.5 km north-east of central Kathu on the remaining extent of the farm Uitkoms 463 (immediately East of the N14 road), and falls within the Gamagara Municipality and John Taolo Gaetsewe District Municipality, in the Northern Cape. The Kathu Cemetery will be extended by 5 hectares (ha) to the south on land owned by the Sishen Iron Ore Company (Pty) Ltd (SIOC). The cemetery is nearing capacity and the extension is necessary due to saturated cemetery facilities, and the rapid expansion of the town of Kathu which is partly due to the resettlement of the Dingleton residents. SIOC is in the process of relocating the town of Dingleton, situated immediately west of the current Sishen Iron Ore Mine (Sishen Mine) pit, to the phase 4 (f-h) development on the farm Sekgame 461 directly south-east of Kathu. The 5 ha cemetery extension will be transferred to the Gamagara Municipality through a land swap agreement as part of the Dingleton Resettlement project. An environmental basic assessment is required in terms of the National Environmental Management Act (NEMA, No 107 of 1998) as amended, and the EIA Regulations (Government Notice Regulation (GNR) 982 – 985, published 4 December 2014). Notice is hereby given that the Gamagara Municipality will be submitting an application for the Extension of the Kathu Cemetery to the Department of Environment and Nature Conservation (DENC) as the competent authority.

**NOTICE OF ENVIRONMENTAL BASIC ASSESSMENT
EXTENSION OF THE KATHU CEMETERY**

The Gamagara Local Municipality (Gamagara Municipality) proposes to extend the cemetery of the town of Kathu. The Kathu Cemetery is located approximately 3.5 km north-east of central Kathu on the remaining extent of the farm Uitkoms 463 (immediately East of the N14 road), and falls within the Gamagara Municipality and John Taolo Gaetsewe District Municipality, in the Northern Cape.

The Kathu Cemetery will be extended by 5 hectares (ha) to the south on land owned by the Sishen Iron Ore Company (Pty) Ltd (SIOC). The cemetery is nearing capacity and the extension is necessary due to saturated cemetery facilities, and the rapid expansion of the town of Kathu which is partly due to the resettlement of the Dingleton residents. SIOC is in the process of relocating the town of Dingleton, situated immediately west of the current Sishen Iron Ore Mine (Sishen Mine) pit, to the phase 4 (f-h) development on the farm Sekgame 461 directly south-east of Kathu. The 5 ha cemetery extension will be transferred to the Gamagara Municipality through a land swap agreement as part of the Dingleton Resettlement project.

An environmental basic assessment is required in terms of the National Environmental Management Act (NEMA, No 107 of 1998) as amended, and the EIA Regulations (Government Notice Regulation (GNR) 982 – 985, published 4 December 2014). Notice is hereby given that the Gamagara Municipality will be submitting an application for the Extension of the Kathu Cemetery to the Department of Environment and Nature Conservation (DENC) as the competent authority.

In accordance with the EIA Regulations, the draft basic assessment report (BAR) will be submitted to the DENC. At the same time it will be made available for review by the public, relevant organs of state and other government departments for a period of 30 days.

The public review period will be from 20 May to 22 June 2015. Issues and concerns received from stakeholders during the review of the draft BA report will be considered in the final BA report. Thereafter the reports will be updated and resubmitted to the registered interested and affected parties (IAP's) and to the DENC as the final BA report. Further correspondence will provide specific review dates. The reports will be available for review at the following locations:

KENNISGEWING VAN DIE BASIESE ASSESSERING VERSLAG UITBREIDING VAN DIE KATHU BEGRAFPLAAS

Die Gamagara Plaaslike Munisipaliteit (Gamagara Munisipaliteit) beoog om die begrafplaas van die dorp Kathu uit te brei. Die Kathu Begrafplaas is ongeveer 3.5 km noord-oos van sentraal Kathu geleë op die oorblywende gedeelte van die plaas Uitkoms 463 (direk oos geleë van die N14 snelweg) en val binne die Gamagara Munisipaliteit en die John Taolo Gaetsewe Distrik Munisipaliteit, in die Noord-Kaap.

Die Kathu Begrafplaas sal met 5 hektaar (ha) uitgebrei word na die suide op eiendom wat deur die Sishen Ystererts Maatskappy (SIOC) besit word. Die vinnige uitbreiding van die dorp Kathu en die hervestiging van die inwoners van Dingleton het tot gevolg dat die begrafplaas versadigde fasaliteite bereik. SIOC is besig met die proses om die dorpie Dingleton te hervestig wat direk wes geleë is van die huidige Sishen Ystererts Myn (Sishen Myn) groef, na die fase 4 (f-h) ontwikkeling op die plaas Sekgame 461 direk suid-oos van Kathu. As deel van die Dingleton Hervestigings projek sal die 5 ha terrein uitbreiding oorgedra word na die Gamagara Munisipaliteit deur middel van 'n grond uitruil ooreenkoms.

In terme van die Wet op Nasionale Omgewingsbestuur (NEMA, No107 van 1998) soos aangepas, en die EIA-regulasies (Goewermentskennisgewing Verordening (GNR) 982 – 985, gepubliseer op 4 Desember 2014) word 'n basiese assesserings verslag benodig. Kennis word hiermee gegee dat die Gamagara Munisipaliteit 'n aansoek vir die Uitbreiding van die Kathu Begraafplaas gaan indien by die Departement van Omgewingsake en Natuur Bewaring wat die bevoegde owerheid is.

In ooreenstemming met die EIA Regulasies, sal die konsep basiese assesseringsverslag (BAR) voorgelê word aan die DEA. Gedurende dieselfde tyd sal dit beskikbaar gestel word vir hersiening deur die publiek, betrokke staatsorganisasies en ander staatsdepartemente vir 'n tydperk van 30 dae.

Die publieke oorsigtydperk sal vanaf 20 Mei tot 22 Junie 2015 wees. Kwessies en bekommernisse wat gedurende die oorsigtydperk van die konsep BA verslag ontvang word sal oorweeg word gedurende die oorsigtydperk van die finale BA verslag. Daarna sal die verslae opgedateer word en heringedien word aan die geregistreerde belanghebbende en geaffekteerde partye (IAP) en die DEA as die finale BAR. Verdere korrespondensie sal spesifieke oorsigtydperke aandui. Die verslae sal beskikbaar wees vir hersiening by die volgende liggings:

U word versoek om kommentaar te lewer op die Konsep BAR in enige van die volgende wyse:

- Deur die aangehegde kommentaarblad te voltooi;
- Deur 'n brief te skryf, of deur die voorsiening van addisionele geskrewe voorleggings; of

Subject: SO337 - Notice of Environmental Basic Assessment - Extension of the Kathu Cemetery

Dear Sir / Madam

**NOTICE OF ENVIRONMENTAL BASIC ASSESSMENT
EXTENSION OF THE KATHU CEMETERY**

The Gamagara Local Municipality (Gamagara Municipality) proposes to extend the cemetery of the town of Kathu. The Kathu Cemetery is located approximately 3.5 km north-east of central Kathu on the remaining

extent of the farm Uitkoms 463 (immediately East of the N14 road), and falls within the Gamagara Municipality and John Taolo Gaetsewe District Municipality, in the Northern Cape.

The Kathu Cemetery will be extended by 5 hectares (ha) to the south on land owned by the Sishen Iron Ore Company (Pty) Ltd (SIOC). The cemetery is nearing capacity and the extension is necessary due to saturated cemetery facilities, and the rapid expansion of the town of Kathu which is partly due to the resettlement of the Dingleton residents. SIOC is in the process of relocating the town of Dingleton, situated immediately west of the current Sishen Iron Ore Mine (Sishen Mine) pit, to the phase 4 (f-h) development on the farm Sekgame 461 directly south-east of Kathu. The 5 ha cemetery extension will be transferred to the Gamagara Municipality through a land swap agreement as part of the Dingleton Resettlement project.

An environmental basic assessment is required in terms of the National Environmental Management Act (NEMA, No 107 of 1998) as amended, and the EIA Regulations (Government Notice Regulation (GNR) 982 – 985, published 4 December 2014). Notice is hereby given that the Gamagara Municipality will be submitting an application for the Extension of the Kathu Cemetery to the Department of Environment and Nature Conservation (DENC) as the competent authority.

In accordance with the EIA Regulations, the draft basic assessment report (BAR) will be submitted to the DENC. At the same time it will be made available for review by the public, relevant organs of state and other government departments for a period of 30 days.

The public review period will be from 20 May to 22 June 2015. Issues and concerns received from stakeholders during the review of the draft BA report will be considered in the final BA report. Thereafter the reports will be updated and resubmitted to the registered interested and affected parties (IAP's) and to the DENC as the final BA report. Further correspondence will provide specific review dates. The reports will be available for review at the following locations:

KENNISGEWING VAN DIE BASIESE ASSESSERING VERSLAG UITBREIDING VAN DIE KATHU BEGRAFPLAAS

Die Gamagara Plaaslike Munisipaliteit (Gamagara Munisipaliteit) beoog om die begrafplaas van die dorp Kathu uit te brei. Die Kathu Begrafplaas is ongeveer 3.5 km noord-oos van sentraal Kathu geleë op die oorblywende gedeelte van die plaas Uitkoms 463 (direk oos geleë van die N14 snelweg) en val binne die Gamagara Munisipaliteit en die John Taolo Gaetsewe Distrik Munisipaliteit, in die Noord-Kaap.

Die Kathu Begrafplaas sal met 5 hektaar (ha) uitgebrei word na die suide op eiendom wat deur die Sishen Ystererts Maatskappy (SIOC) besit word. Die vinnige uitbreiding van die dorp Kathu en die hervestiging van die inwoners van Dingleton het tot gevolg dat die begrafplaas versadigde fasaliteite bereik. SIOC is besig met die proses om die dorpie Dingleton te hervestig wat direk wes geleë is van die huidige Sishen Ystererts Myn (Sishen Myn) groef, na die fase 4 (f-h) ontwikkeling op die plaas Sekgame 461 direk suid-oos van Kathu. As deel van die Dingleton Hervestigings projek sal die 5 ha terrein uitbreiding oorgedra word na die Gamagara Munisipaliteit deur middel van 'n grond uitruil ooreenkoms.

In terme van die Wet op Nasionale Omgewingsbestuur (NEMA, No107 van 1998) soos aangepas, en die EIA-regulasies (Goewermentskennisgewing Verordening (GNR) 982 – 985, gepubliseer op 4 Desember 2014) word 'n basiese assesserings verslag benodig. Kennis word hiermee gegee dat die Gamagara Munisipaliteit 'n aansoek vir die Uitbreiding van die Kathu Begrafplaas gaan indien by die Departement van Omgewingsake en Natuur Bewaring wat die bevoegde owerheid is.

In ooreenstemming met die EIA Regulasies, sal die konsep basiese assesseringsverslag (BAR) voorgelê word aan die DEA. Gedurende dieselfde tyd sal dit beskikbaar gestel word vir hersiening deur die publiek, betrokke staatsorganisasies en ander staatsdepartemente vir 'n tydperk van 30 dae.

Die publieke oorsigtydperk sal vanaf 20 Mei tot 22 Junie 2015 wees. Kwessies en bekommernisse wat gedurende die oorsigtydperk van die konsep BA verslag ontvang word sal oorweeg word gedurende die oorsigtydperk van die finale BA verslag. Daarna sal die verslae opgedateer word en heringedien word aan die geregistreerde belanghebbende en geaffekteerde partye (IAP) en die DEA as die finale BAR. Verdere korrespondensie sal spesifieke oorsigtydperke aandui. Die verslae sal beskikbaar wees vir hersiening by die volgende liggings:

GEDRUKTE AFSKRIFTE BY PUBLIEKE PLEKKE	
Kathu Biblioteek	
Gamagara Munisipaliteit	
Sishen myn, sekuriteitskantoor by die ingang van die myn	
ELEKTRONIESE WEERGAWES	
Op versoek via e-pos van Synergistics Environmental Services	Mnr Adriaan Botha Tel: 011 467 0945, Faks: 011 467 0978, Of stuur e-pos versoek aan: abotha@slrconsulting.com

U word versoek om kommentaar te lewer op die Konsep BAR in enige van die volgende wyse:

- Deur die aangehegde kommentaarblad te voltooi;
- Deur 'n brief te skryf, of deur die voorsiening van addisionele geskrewe voorleggings; of
- Deur 'n e-pos te stuur of deur die publieke deelname kantoor te bel.

U insette en terugvoer is van uiterste belang.
