Op 28 Maart 2014 spog drie van Kakamas Hospitaal se personeellede met hulle pragtige boepies. Hulle is vlr: Merise Strauss (dietskundige), Maritze van den Heever (apteker) en Ansu Stoop (arbeidsterapeut).

054 332 1194
Spraypainter

Moet onder druk kan werk.
Moet al voorheen spraywerk gedoen het
Moet so gou as moontlik diens kan aanvaar

Cv kan ingehandig word by Maestro Industrial Services, of epos maestrois@vodamail.co.za

Ten 10 Oktober 2014 was die ooievaar sekerlik al stokflou nadat hy die drie pragtige babus

van hul mamas besorg het. Hier is Merise Strauss met Dawid, Maritze van den Heever met Lizandri en Ansu Stoop met Daniel.

Die hospitaal spog met drie nuwe mamas in een jaar.

Merise Strauss die dietskundige by die hospitaal het op 10 April 2014 geboorte gegee aan hulle pragtige seuntjie Dawid.

Ansu Stoop die arbeidsterapeut se kosbare seuntjie, Daniel, is weer op die 27ste Mei gebore.

Maritze van den Heever, die apteker, se pragtige babu dogtertjie Lizandri is op die 19de Junie gebore en so ook die enigste dogtertjie tussen die seuntjies.

Viral drie mamas is dit hulle eerste babatjies.

Die tyd het so vinnig verby gegaan, maar hierdie drie mamas deel nou graag al hulle ondervinding en raad met mamas en ook swanger vrouens by Kakamas Hospitaal.

Hulle was ook deel van die personeellede wat onlangs as deel van swangerskap bewusmakingsweek 'n praatjie gelewer het by Kakamas Hospitaal en het hulle raad gedeel met almal wat daar was.

Kakamas Hospitaal sien uit na al die nuwe dinge en spesiale oomblikke van 2015 en weet dat hierdie drie mamas nog baie geluk en vreugde sal kry uit hierdie babatjies en nog hulle ondervinding met baie ander swanger vroue in en rondom Kakamas Hospitaal gaan deel.

NEMA PUBLIC PARTICIPATION PROCESS

PROPOSED HOUSING DEVELOPMENT ON ERF 544 & ERF 745, OLYVENHOUTSDRIFT, UPPINGTON, NORTHERN CAPE EnviroAfrica REF NO: 0398

Notice is hereby given of the public participation process in terms of the National Environmental Management Act, 1998 (Act No. 107 of 1998), as amended ("NEMA"), Environmental Impact Assessment Regulations 2014.

The proposed housing development includes the below activities listed in terms of the NEMA EIA Regulations 2014. EnviroAfrica cc has been appointed to undertake the Basic Assessment process for the proposed project.

Application for environmental authorization to undertake the following activities:

Government Notice R983 (Listing Notice 1): Activity No. 9, 12, 19 and 28
Government Notice R985 (Listing Notice 3): 4 and 12

Project Description & Location: The influx of people, due to the steep increase in employment opportunities in the area, causes a direct increase in the need for goods, services and especially housing in the Uppington area. The need and desirability for a housing development, as proposed, thus arises. The sites are located off Jooste Eiland Road, Olyvenhoutsdrift, Uppington, Northern Cape. Coordinates: S 28°28'19.40", E 21°14'57.09" The Spatial Development Framework of the //Kharas Hais Municipality supports the development of the proposed area for mixed use. Erf 544 and Erf 745 are to be consolidated and zoned Special (internal roads), Residential I (townhouses) and Residential II (apartments and guesthouse) for the proposed construction of a housing development. The proposed development will contribute positively to the land value of the involved property, as well as that of surrounding properties. The proposed utilisation of the involved properties will entail a very high quality partly temporary and partly permanent residential development that will greatly contribute to the south-eastern entrance of the town of Uppington.

Civil & Electrical services for the proposed development: Access to the site will be obtained from the existing Jooste Eiland road. Internal roads to be constructed shall be 6m in width for internal collector roads and 5.5m in width for access roads to residential units. Water provision to the property will be from the existing municipal water pipeline running adjacent to the eastern boundary of the erven, along the N10. No municipal sanitation infrastructure exists in the immediate vicinity. Sewage would be pumped to the nearest municipal sewerage infrastructure, which will be Rosepark pump station. Electrical distribution for both bulk supply and internal reticulation will be provided by the //Kharas Hais Municipality.

Public Participation: Interested and Affected Parties (I&APs) are hereby notified of the proposed development and invited to register (in writing) and/or provide initial comments and identify any issues, concerns or opportunities relating to this project to the contact details provided below, on or before 15 April 2015. In order to register or submit comment, I&APs should refer to the project name and reference number above, and provide their name, address & contact details (indicating your preferred method of notification) and an indication of any direct business, financial, personal, or other interest which they have in the application. Please note that future correspondence will only be sent to registered Interested and Affected Parties. You are also requested to pass this information to any person you feel should be notified.
