 **Preferred method of communication. The absence of email / facsimile facilities may result in a delay in receipt of IAP notifications. Please write clearly.

Comments (please use additional sheets of paper if required):

As an engineer I take an interest in the project. More so because I have a 17 Ha erf in the area. Erf n° 61, next to the electrical substation. If during the development of activities a terrain of this size is required, I have been thinking of putting the property on the market.

Signed:  _____ Date: *2016-12-15* _____

Thank you for your participation
