Dear Stakeholder

---

**PROPOSED HOUSING DEVELOPMENT IN POSTMASBURG, NORTHERN CAPE  
PROVINCE  
DEA REF. NUMBER: 14/12/16/3/3/1/991  
NOTICE OF BASIC ASSESSMENT PROCESS**

---

Due to the need for accommodation of staff in the Postmasburg area, Transnet SOC Limited ("Transnet") is proposing a housing development in Postmasburg. The site identified for the housing development is situated on Transnet-owned land, which is located on the outskirts of the town of Postmasburg. The site falls within the Tsantsabane Local Municipality and greater Siyanda District Municipality in the Northern Cape Province.

Environmental authorisation is required for the proposed housing development from the National Department of Environmental Affairs (DEA), in terms of the National Environmental Management Act 107 of 1998 and EIA Regulations of June 2010, as amended. This application would have to be supported by a Basic Assessment process.

In order to obtain this authorisation, Transnet acknowledges the need for comprehensive, independent environmental studies to be undertaken in accordance with the EIA Regulations. Savannah Environmental has been appointed by Transnet as independent consultants to undertake the required Basic Assessment process. The project and application for environmental authorisation has been registered with DEA under the following reference number: 14/12/16/3/3/1/991. The public participation process, which forms part of the overall environmental assessment process, will also be undertaken by Savannah Environmental. You and/or the organisation which you represent has been identified as an Interested and Affected Party (I&AP) for the proposed project. Should you have an interest in this project, please register yourself as an Interested and Affected Party (I&AP) and note your formal comments by sending written correspondence in this regard. By registering on the project database, you will receive all information relating to the project and will be provided with an opportunity to provide comment and input into the environmental assessment process.

Please find herewith the **Background Information Document (BID)** for the proposed housing development project. Please could you kindly submit your formal comments by sending written correspondence in this regard. All comments received will be included in the reports which will be submitted to the DEA. Comments can be made as written submission via fax, post or email.

***AVAILABILITY OF A DRAFT BASIC ASSESSMENT REPORT FOR PUBLIC REVIEW***

In accordance with the EIA Regulations, a Draft Basic Assessment Report will be available for public review and comment by Interested and Affected Parties (I&APs) and stakeholders. You will be informed of the 40-day public review period which will occur in September 2013 - October 2013.

Should you require a meeting or additional information on the proposed project, please do not hesitate to contact me. Our team welcomes your participation and looks forward to your involvement throughout the process.

Kind Regards

**NOTICE OF DRAFT BASIC ASSESSMENT REPORT FOR PUBLIC COMMENT, PUBLIC  
MEETING AND OPEN DAY**

---

Due to the need for accommodation of staff in the Postmasburg area, Transnet SOC Limited ("Transnet") is proposing a housing development in Postmasburg. A realistic estimate of 185 housing units could be accommodated on the land available to Transnet. The site identified for the housing development is situated on Transnet-owned land, which is located on the outskirts of the town of Postmasburg. The site falls within the Tsantsabane Local Municipality in the Northern Cape Province.

In terms of the EIA Regulations of June 2010 published in terms of Section 24(5) of the National Environmental Management Act (NEMA, Act No. 107 of 1998), Transnet requires authorisation from the National Department of Environmental Affairs (DEA) for the construction and operation of the proposed housing development. In terms of sections 24 and 24D of NEMA, as read with the EIA Regulations of GNR 543, GNR 544 and GNR546 (as amended), a Basic Assessment (a simplified environmental impact assessment) process is required to be undertaken for the project. The project has been registered with the National DEA under the following application reference number: **14/12/16/3/3/1/991**. Savannah Environmental is undertaking the required basic assessment and public participation process.

## ***AVAILABILITY OF A DRAFT BASIC ASSESSMENT REPORT FOR PUBLIC REVIEW***

A Draft Basic Assessment Report for the proposed housing development has been prepared by Savannah Environmental and is available for public review. The 40-day period for public review is **11 September 2013 – 21 October 2013**. Please submit written comment by **21 October 2013**.

**NOTICE OF DRAFT BASIC ASSESSMENT REPORT FOR PUBLIC COMMENT, PUBLIC  
MEETING AND OPEN DAY**

---

Due to the need for accommodation of staff in the Postmasburg area, Transnet SOC Limited ("Transnet") is proposing a housing development in Postmasburg. A realistic estimate of 185 housing units could be accommodated on the land available to Transnet. The site identified for the housing development is situated on Transnet-owned land, which is located on the outskirts of the town of Postmasburg. The site falls within the Tsantsabane Local Municipality in the Northern Cape Province.

In terms of the EIA Regulations of June 2010 published in terms of Section 24(5) of the National Environmental Management Act (NEMA, Act No. 107 of 1998), Transnet requires authorisation from the National Department of Environmental Affairs (DEA) for the construction and operation of the proposed housing development. In terms of sections 24 and 24D of NEMA, as read with the EIA Regulations of GNR 543, GNR 544 and GNR546 (as amended), a Basic Assessment (a simplified environmental impact assessment) process is required to be undertaken for the project. The project has been registered with the National DEA under the following application reference number: **14/12/16/3/3/1/991**. Savannah Environmental is undertaking the required basic assessment and public participation process.

## ***AVAILABILITY OF A DRAFT BASIC ASSESSMENT REPORT FOR PUBLIC REVIEW***

A Draft Basic Assessment Report for the proposed housing development has been prepared by Savannah Environmental and is available for public review. The 40-day period for public review is **11 September 2013 – 21 October 2013**. Please submit written comment by **21 October 2013**.
