Notice is given in terms of

(a) Regulation 41(2)(a) of the Environmental Impact Assessment Regulations of 2014, No. 326 published in Government Notice No. 40772 (as amended 2017) under the National Environmental Management Act, 1998 (Act No. 107 of 1998) that an application for environmental authorization will be submitted to the Northern Cape Department of Environment and Nature Conservation (NC DENC)

(b) Regulation 17(3)(a) of the Regulations Regarding The Procedural Requirements for Water Use License Applications and Appeals of 2017 No. R. 267 published in Government Notice No. 40713 of 24 March 2017 under the National Water Act (Act 36 of 1998) Section 21 as amended, that an application for a Water Use License will be submitted to the Department of Water and Sanitation (DWS) (if applicable) for the following project:

Project: Expansion of a Cemetery and Construction of New Cemetery.
Locality: Erf 341, Erf 1275 and Erf 1654, Kakamas.
Proponent: Kai!Garib Local Municipality.

If you have any information or comments regarding the impact of the proposed development or need additional information regarding the above, please submit your name, contact information and interest to **Hanlie Stander at MDA (P.O. Box 100982, Brandhof, Bloemfontein, 9324; T: 051 447 1583; F: 086 455 2568; hanlie@mdagroup.co.za)** within 30 days of this notice.

South32 is a distinctive business with a leading presence in the global market. Our operations span multiple continents and offer an excellent platform for those seeking to fast-track their career. Join our dynamic business and become part of the South32 Group.

South Africa Laboratory Analyst Fixed-term Mamatwan Mine (Ref. 783886)

The main purpose of the role is to report analytical results to the processing plant, the safe storage and disposal of routine lab chemical waste and old samples, adherence to Laboratory standard operating procedures and QA/QC protocols and housekeeping. You will be responsible for sample receiving and logging on LIMS, ICP sample preparation (powder, press pellet and fusion), operating analytical equipment such as pulveriser, press machine, fusion machine and XRF machine and analysing raw materials, process and finished products samples using applicable laboratory techniques. Further functions include verifying analytical data, timely reporting of analytical data, reporting laboratory equipment breakdowns and adhering to safety and GMP standards. Serious candidates will have a Grade 12 with Mathematics and/or Science with a minimum of 1 year's experience in a laboratory. A valid driver's licence will be advantageous.

Millwright Fixed-term Mamatwan Mine (Ref. 783887)

The purpose of this role is to attend to breakdowns, conduct inspections and execute maintenance tasks on open cast equipment. You need to conduct inspections on equipment prior to commencement of maintenance work, execute all maintenance work in a safe manner, test and commission equipment prior to handover and report events and non-conformances. You will also perform medium-voltage switching.

ASSMANG
REQUEST FOR INFORMATION (RFI)
FOR SUPPLY CHAIN USE ONLY

Khumani Mine is in the process of gathering information from Northern Cape-based companies that could conduct a **Skills Audit for Khumani Mine**.

Existing Northern Cape-based companies that are rendering the above-mentioned service and interested in registering for this RFI, are herewith requested to confirm their expression of interest by sending a confirmation e-mail to rfi@assmang.co.za before close of business on 5 April 2016.

The RFI Information Sheet, which has to be completed by the Applicant, with a list of documents required for registration, will only be sent to the companies that expressed their interest to register before or on 5 April 2016.

For a company to register for this RFI, the company must adhere to ALL requirements listed below:

- The Company must be classified as an (SM) or (QSE) as per the B-BBEE Codes of Good Practice relevant to the company.
- The Company must be based in the Northern Cape.
- The Company must already render the required service OR previously rendered the service specified in this RFI (3 years' experience), since references of previous experience in this particular field are required.

Important notice:
Preference will be given to companies with 51% or more Black Female Ownership and 51% or more South Dwellship.

Proof of Notification to possible IAPs:

Note: Adjacent landowners were notified by means of hand delivery on 22nd of March 2019 where possible.

Furthermore, adjacent landowners were also notified by means of hand delivery on 4 July 2019 by the Kai !Garib Local Municipality.

In addition, certain adjacent landowners were notified by means of registered mail / e-mail. Please see proof thereof attached hereto.
