

Appendix E2: Proof of Notification of Proposed Activity to IAPs

Project Reference: 755.23023.00008

File Ref. 2016-11-16 BA Notification letter to SIOC final

Date: 16 November 2016

SISHEN IRON ORE COMPANY (PTY) LTD

ATTENTION: WERNER VOIGT

Dear Mr Voigt

NOTICE OF THE BASIC ASSESSMENT PROCESS FOR NEW KATHU CEMETARY

Introduction

The Kathu Cemetery located on the farm Uitkomst 463 near Kathu, within the Gamagara Local Municipality and John Taolo Gaetsewe District Municipality, in the Northern Cape is nearing capacity. Additional space is necessary due to the rapid expansion of the town of Kathu which is partly due to the resettlement of the Dingleton residents as a result of the expansion of the Sishen Iron Ore Mine. Due to the existing Kathu Cemetery being located in the protected Kathu Forest, extending the cemetery on the farm Uitkomst 463 is not possible. An alternative location has been proposed and is the only feasible alternative for the new Kathu Cemetery. The new Kathu Cemetery is to be located on a 5 ha portion of the remaining extent of the farm Lylyveld 545.

This letter serves to notify the Sishen Iron Ore Company (Pty) Ltd (SIOC) as the landowner of the remaining extent of the farm Lylyveld 545 of the proposed new Kathu Cemetery Project. A 5 ha section of the remaining extent of the farm Lylyveld 545 has been allocated by SIOC to the Gamagara Local Municipality (Gamagara Municipality) for the proposed cemetery development (Refer to Appendix 1 for a locality map).

This letter also serves to notify SIOC of the Basic Assessment Process that is to be undertaken for the proposed new Kathu Cemetery.

Brief Project Description

Construction of the new Kathu Cemetery will include site clearance, establishing access to the cemetery, internal roads, fencing, ablution facilities linked to a possible septic tank system, a

parking area for approximately 100 cars, night time security lighting, a borehole for water supply (to be taken from the existing Lylyveld mine pipeline that crosses the farm) and waste collection bins.

Basic Assessment Process

In terms of the National Environmental Management Act (NEMA; No. 107 of 1998) as amended, and the EIA Regulations (GNR 982-985, published on 4 December 2014), the proposed new Kathu Cemetery requires a Basic Assessment Process to be conducted. Notification is hereby given that the Gamagara Municipality will be submitting an application for the project to the Department of the Environment and Nature Conservation (DENC). The activities, as identified at this stage, that are being applied for are set out in the table below:

Legislation	Listed Activity	Description	Competent Authority
NEMA	Listing Notice 1 GN R983 Activity 23	Development of a new cemetery.	DENC
	Listing Notice 1 GN R983 Activity 24	Possible construction and/or widening of roads	
	Listing Notice 1 GN R983 Activity 27	Clearance of indigenous vegetation	
	Listing Notice 1 GN R983 Activity 28	Institutional development on agricultural land	
	Listing Notice 1 GN R983 Activity 56	Possible construction and/or widening of roads	

Synergistics Environmental Services (Pty) Ltd (a SLR Group Company) has been appointed as the independent environmental practitioner responsible for undertaking the necessary environmental work and conducting the public participation process for the project.

Should you have any queries, please contact Chiara D'Egidio Kotze on the details below.

NOTICE OF THE BASIC ASSESSMENT PROCESS FOR NEW KATHU CEMETARY

Dear Livhawani Ndou,

The Gamagara Local Municipality is proposing to develop additional space for graves near the town of Kathu.

The proposed location of the new cemetery is adjacent to properties understood to be owned by Transnet and Transnet is being contacted as a directly adjacent landowner.

Please find attached the background information document for further information on the application and the proposed project.

Kind regards,

Chiara D'Egidio Kotze

Date: 17 November 2016

ATTENTION: INTERESTED AND AFFECTED PARTIES

Dear Sir/Madam

NOTICE OF THE BASIC ASSESSMENT PROCESS FOR NEW KATHU CEMETARY

This letter serves to notify you of the proposed new Kathu Cemetery Project.

Introduction and Project Description

The Gamagara Local Municipality (Gamagara Municipality) proposes to develop additional space for graves in the town of Kathu. The existing Kathu Cemetery is located approximately 3.5 km north-east of central Kathu on the remaining extent of the farm Uitkoms 463 (immediately East of the N14 road), and falls within the Gamagara Municipality and John Taolo Gaetsewe District Municipality, in the Northern Cape.

The cemetery is nearing capacity and thus additional space is necessary due to the rapid expansion of the town of Kathu which is partly due to the resettlement of the Dingleton residents as a result of the expansion of the Sishen Iron Ore Mine. Due to the existing Kathu Cemetery being located in the protected Kathu Forest, extending the cemetery on the farm Uitkomst 463 is not possible. An alternative location has been proposed and is the only feasible alternative for the new cemetery. The best viable alternative is to establish a new cemetery on the remaining extent of the farm Lylyveld 545, approximately 13 km south of central Kathu (see appendix 1 for a locality map). The new Kathu Cemetery will be approximately 5 hectares (ha) in extent on land owned by the SIOC. The land for the new cemetery will be transferred to the Gamagara Municipality through a land swap agreement as part of the Dingleton Resettlement project.

Construction of the new Kathu Cemetery will include site clearance, establishing access to the cemetery, internal roads, fencing, ablution facilities linked to a possible septic tank system, a parking area for approximately 100 cars, night time security lighting, a borehole for water supply (to be taken from the existing Lylyveld mine pipeline that crosses the farm) and waste collection bins.

Basic Assessment Process

In terms of the National Environmental Management Act (NEMA; No. 107 of 1998) as amended, and the EIA Regulations (GNR 982-985, published on 4 December 2014), the proposed cemetery requires a Basic Assessment Process to be conducted. Notification is hereby given that the Gamagara Municipality is submitting an application for a New Kathu Cemetery to the Department of the Environment and Nature Conservation (DENC), who is the competent authority. The activities in terms of NEMA, identified at this stage, being applied for include:

Legislation	Listed Activity	Description	Competent Authority
NEMA	Listing Notice 1 GN R983 Activity 23	Development of a new cemetery.	DENC
	Listing Notice 1 GN R983 Activity 24	Possible construction and/or widening of roads	
	Listing Notice 1 GN R983 Activity 27	Clearance of indigenous vegetation	
	Listing Notice 1 GN R983 Activity 28	Institutional development on agricultural land	
	Listing Notice 1 GN R983 Activity 56	Possible construction and/or widening of roads	

Synergistics Environmental Services (Pty) Ltd (a SLR Group Company) has been appointed as the independent environmental practitioner responsible for undertaking the necessary environmental work and conducting the public participation process for the project.. To raise any questions, register as an interested and affected party or to receive further information, please submit your details to the person listed below.

To register as an interested and Affected Party, please respond to this notification by 09 December 2016. Please note that you need to register as an Interested and Affected Party to receive further information on the project and review reports. Should you not respond to this notification, we assume that you do not want to receive further information on this project.

KENNISGEWING VAN DIE BASIESE ASSESSERINGSPROSES VIR DIE NUWE KATHU BEGRAFPLAAS

Hierdie brief dien as kennisgewing aan u van die nuwe Kathu Begraafplaas Projek

Inleiding en Projek Beskrywing

Die Gamagara Plaaslike Munisipaliteit (Gamagara Munisipaliteit) stel die ontwikkeling vir addisionele pasie vir grafte in die dorp van Kathu voor. Die huidige Kathu Begraafplaas is omtrent 3.5 km noordoos van sentraal Kathu op die restant van die plaas Uitkoms 463 (onmiddelig oos van die N14 pad), en val binne die Gamagara Munisipaliteit en John Taolo Gaetsewe Distrik Munisipaliteit, in die Noord Kaap.

Die begraafplaas is naby om sy kapasiteit te bereik en dus sal addisionele spasie nodig wees as gevolg van die vinnige uitbreiding van die dorp van Kathu, wat 'n gedeeltelik gevolg is van die hervestiging van die inwoners van Dingleton as gevolg van die uitbreiding van die Sishen Ystererts Myn. Aangesien die huidige Kathu Begraafplaas binne die beskermde Kathu Woud geleë is, is uitbreiding van die begraafplaas op die plaas Uitkomst 463 nie moontlik nie. 'n Alternatiewe ligging is voorgestel en is die enigste haalbare alternatief vir die nuwe begraafplaas. Die haalbare alternatief is om 'n nuwe begraafplaas te stig op die restant van die plaas Lylyveld 545, omtrent 13 km suid van sentraal Kathu (sien aanhangsel 1 vir 'n liggingskaart). Die nuwe Kathu Begraafplaas sal omtrent 5 hektar (ha) groot wees op grond wat besit word deur SIOC. Die grond vir die nuwe begraafplaas sal oorgedra word na die Gamagara Munisipaliteit deur middel van 'n grond uitruil ooreenkoms.

Konstruksie vir die nuwe Kathu Begraafplaas sal terrein ontruiming, ontwikkeling van toegang tot die begraafplaas, interne paaie, omheining, ablusie fasiliteite gekoppel aan 'n moontlike septiese tenk sisteem, 'n parkeer terrein vir omtrent 100 karre, nag sekuriteit beligting, 'n boorgat vir

watertoevoer (wat geneem sal word van die bestaande Lylyveld myn pyplyn wat deur die plaas loop) en vullis dromme in sluit.

Basiese Asseseringsproses

In terme van die Nasionale Omgewingsbestuurswet (NEMA; No 107 van 1998) soos aangepas, en die OIA Regulasies (GNR 982-985, gepubliseer op 4 Desember 2014), moet 'n Basiese Asseseringsproses uitgevoer word vir die beoogde begrafplaas. Kennisgewing word hierdeur gegee dat die Gamagara Munisipaliteit 'n aansoek ingedien het vir die Nuwe Kathu Begrafplaas aan die Departement van die Omgewing en Natuurbewaring (DENC), wie die bevoegde owerheid is. Die aktiwiteite, wat tot dus ver geïdentifiseer is, waarvoor aansoek gedoen word is uiteengesit in die tabel hieronder:

Wetgewing	Gelysde Aktiwiteit	Beskrywing	Bevoegde Owerheid
NEMA	Lyskennisgewing 1 GN R983 Aktiwiteit 23	Ontwikkeling van 'n nuwe begrafplaas.	DENC
	Lyskennisgewing 1 GN R983 Aktiwiteit 24	Moontlike konstruksie en/of verbreding van paaie	
	Lyskennisgewing 1 GN R983 Aktiwiteit 27	Verwydering van inheemse plantegroei	
	Lyskennisgewing 1 GN R983 Aktiwiteit 28	Institusionele ontwikkeling op landbou grond	
	Lyskennisgewing 1 GN R983 Aktiwiteit 56	Moontlike konstruksie en/of verbreding van paaie

Message Text

Gamagara Local Municipality Notice: New cemetery proposed 13km south of central Kathu, along N14, on the remaining extent of the farm Lylyveld 545. A Basic Assessment Process will be conducted. To receive more info or review the assessment report, register your contact details by 09/12/2016 with C. Kotze (Synergistics) on E: ckotze@slrconsulting.com, T: 0114670945, F: 0114670978

Report Notes

There were 66 Mobile Numbers within this Campaign Report which are blacklisted; hence messages sent to these Mobile Numbers are reflected as FAILED in the summary figures.
The SMS Campaign Message contained 381 characters which resulted in the message being split over 3 SMS messages per handset.

***EXPLANATION OF TERMS IN SUMMARY & DELIVERY REPORT.**

Original Database Total:	Refers to the total amount of cell phone numbers Archer received from the client in the database before verification.
Unusable MSISDN's:	Numbers scrubbed out: Incorrect nr, Non-MMS/WAP enabled, Opted out, not recognised on network.
Scrubbed Data Total:	Refers to the total amount of cell phone numbers Archer could send messages to.
Network Rejected Numbers:	Submitted by Archer to the network, but the number was not accepted by the network - may be ported numbers etc.
No Network / No Route:	Numbers may be from an international network or not registered on any Network.
Total Delivered:	Refers to the successful submission of messages to the network through the Archer systems.
Successful:	The network has successfully submitted the content to the handset, and the handset sent a retrieval notification.
Failed:	The network's attempt to deliver the content to the handset and permanently failed. The handset may be off, roaming or out of range.

File Ref. 2017-02-22_Kathu cemetery revised location_IAPs&Authorities

Date: 22 February 2017

ATTENTION: INTERESTED AND AFFECTED PARTIES

Dear Sir/Madam

NOTICE OF REVISION OF THE POSITION OF THE NEW KATHU CEMETERY

In November 2016, you were notified of the proposed development of the New Kathu Cemetery, in Kathu, Northern Cape. This letter serves to notify you of the revised location of the New Kathu Cemetery.

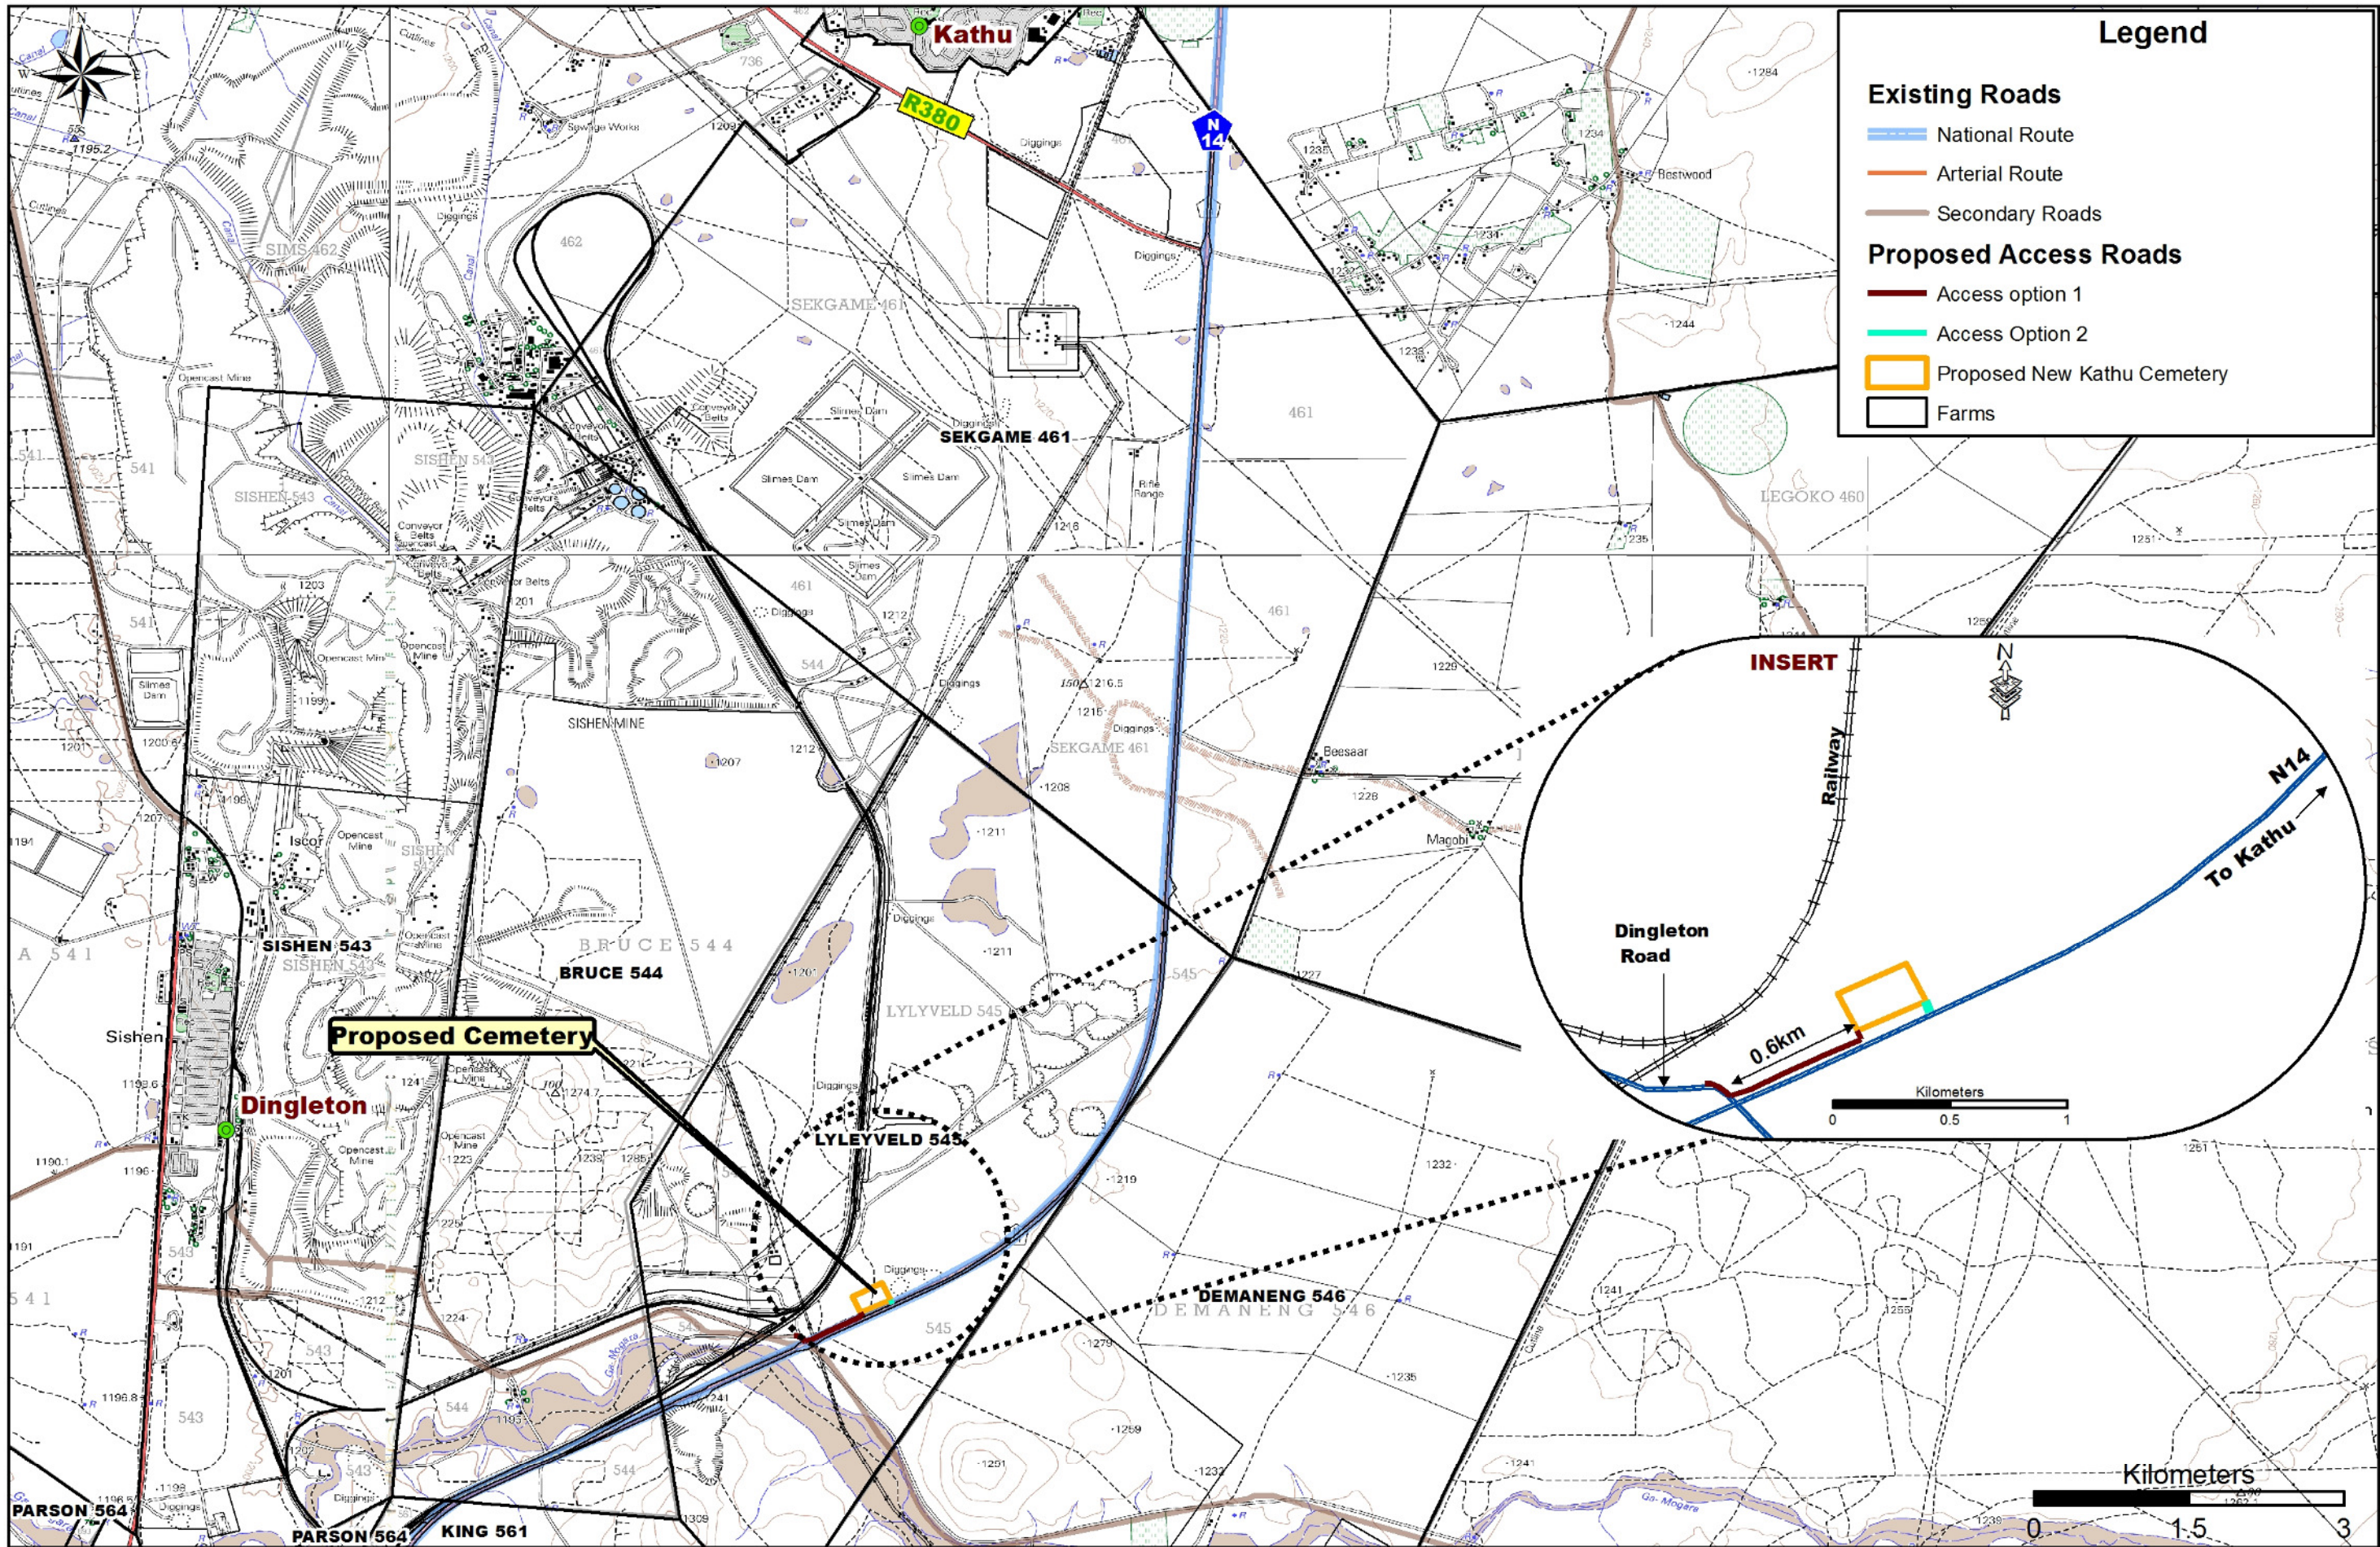

Following commencement of the public participation process in November 2016, Eskom indicated that they were planning to apply for the construction of a new powerline which would intersect with the New Kathu Cemetery. In order to accommodate the Eskom powerline, the New Kathu Cemetery was moved. The revised location of the New Kathu Cemetery is near the original location, still located on the remaining extent of the farm Lyleveld 545 [land owned by the Sishen Iron Ore Company (Pty) Ltd] and is still 5 ha in extent. A map showing the revised location of the New Kathu Cemetery is included in Appendix 1. The Basic Assessment (BA) will consider the revised location of the New Kathu Cemetery. The BA will be available for public and authority review mid-March 2017; you will be notified of the review dates once finalised.

Synergistics Environmental Services (Pty) Ltd (a SLR Group Company) has been appointed as the independent environmental practitioner responsible for undertaking the necessary environmental work and conducting the public participation process for the project. Should you have any queries please submit your comments/queries to the person listed below.

Yours faithfully

Chiara D'Egidio Kotze
ckotze@slrconsulting.com; Tel: (011) 467-0945; Fax: (011) 467-0978

AANDAG: GEÏNTERESEERDE EN GEAFFEKTEERDE PARTYE

Geagte Meneer/Mevrou

KENNISGEWING VAN DIE HERSIENNING VAN DIE POSISIE VAN DIE NUWE KATHU BEGRAFPLAAS

In November 2016, was u in kennis gestel van die voorgestelde ontwikkeling van die Nuwe Kathy Begraafplaas, in Kathu, Noord Kaap. Hierdie brief dien om u in kennis te stel van die hersiende ligging van die Nuwe Kathu Begraafplaas.

Na die aanvang van die publieke deelname proses in November 2016, het Eskom aangedui dat hulle van plan was om aansoek te doen vir die bou van 'n nuwe kraglyn, wat deur die Nuwe Kathu Begraafplaas sou loop. Om Eskom se kraglyn te akkommodeer, is die Nuwe Kathu Begraafplaas geskuif. Die hersiende posisie van die Nuwe Kathu Begraafplaas is na aan die oorspronklike ligging, steeds geleë op die restant van die plaas Lyleveld 545 [grond wat besit word deur die Sishen Yster Erts Maatskappy] en is steeds 5 ha groot. 'n Kaart met die hersiende ligging van die Nuwe Kathu Begraafplaas is ingesluit in Bylaag 1. Die Basiese Assessering (BA) sa die hersiende ligging van die Nuwe Kathu Begraafplaas oorweeg. Die BA sa beskikbaar gestel word vir publieke- en gesagsnasion teen middel Maart 2017, en u sal in kennis gestel word van die nasien datums sodra dit gefinaliseer is.

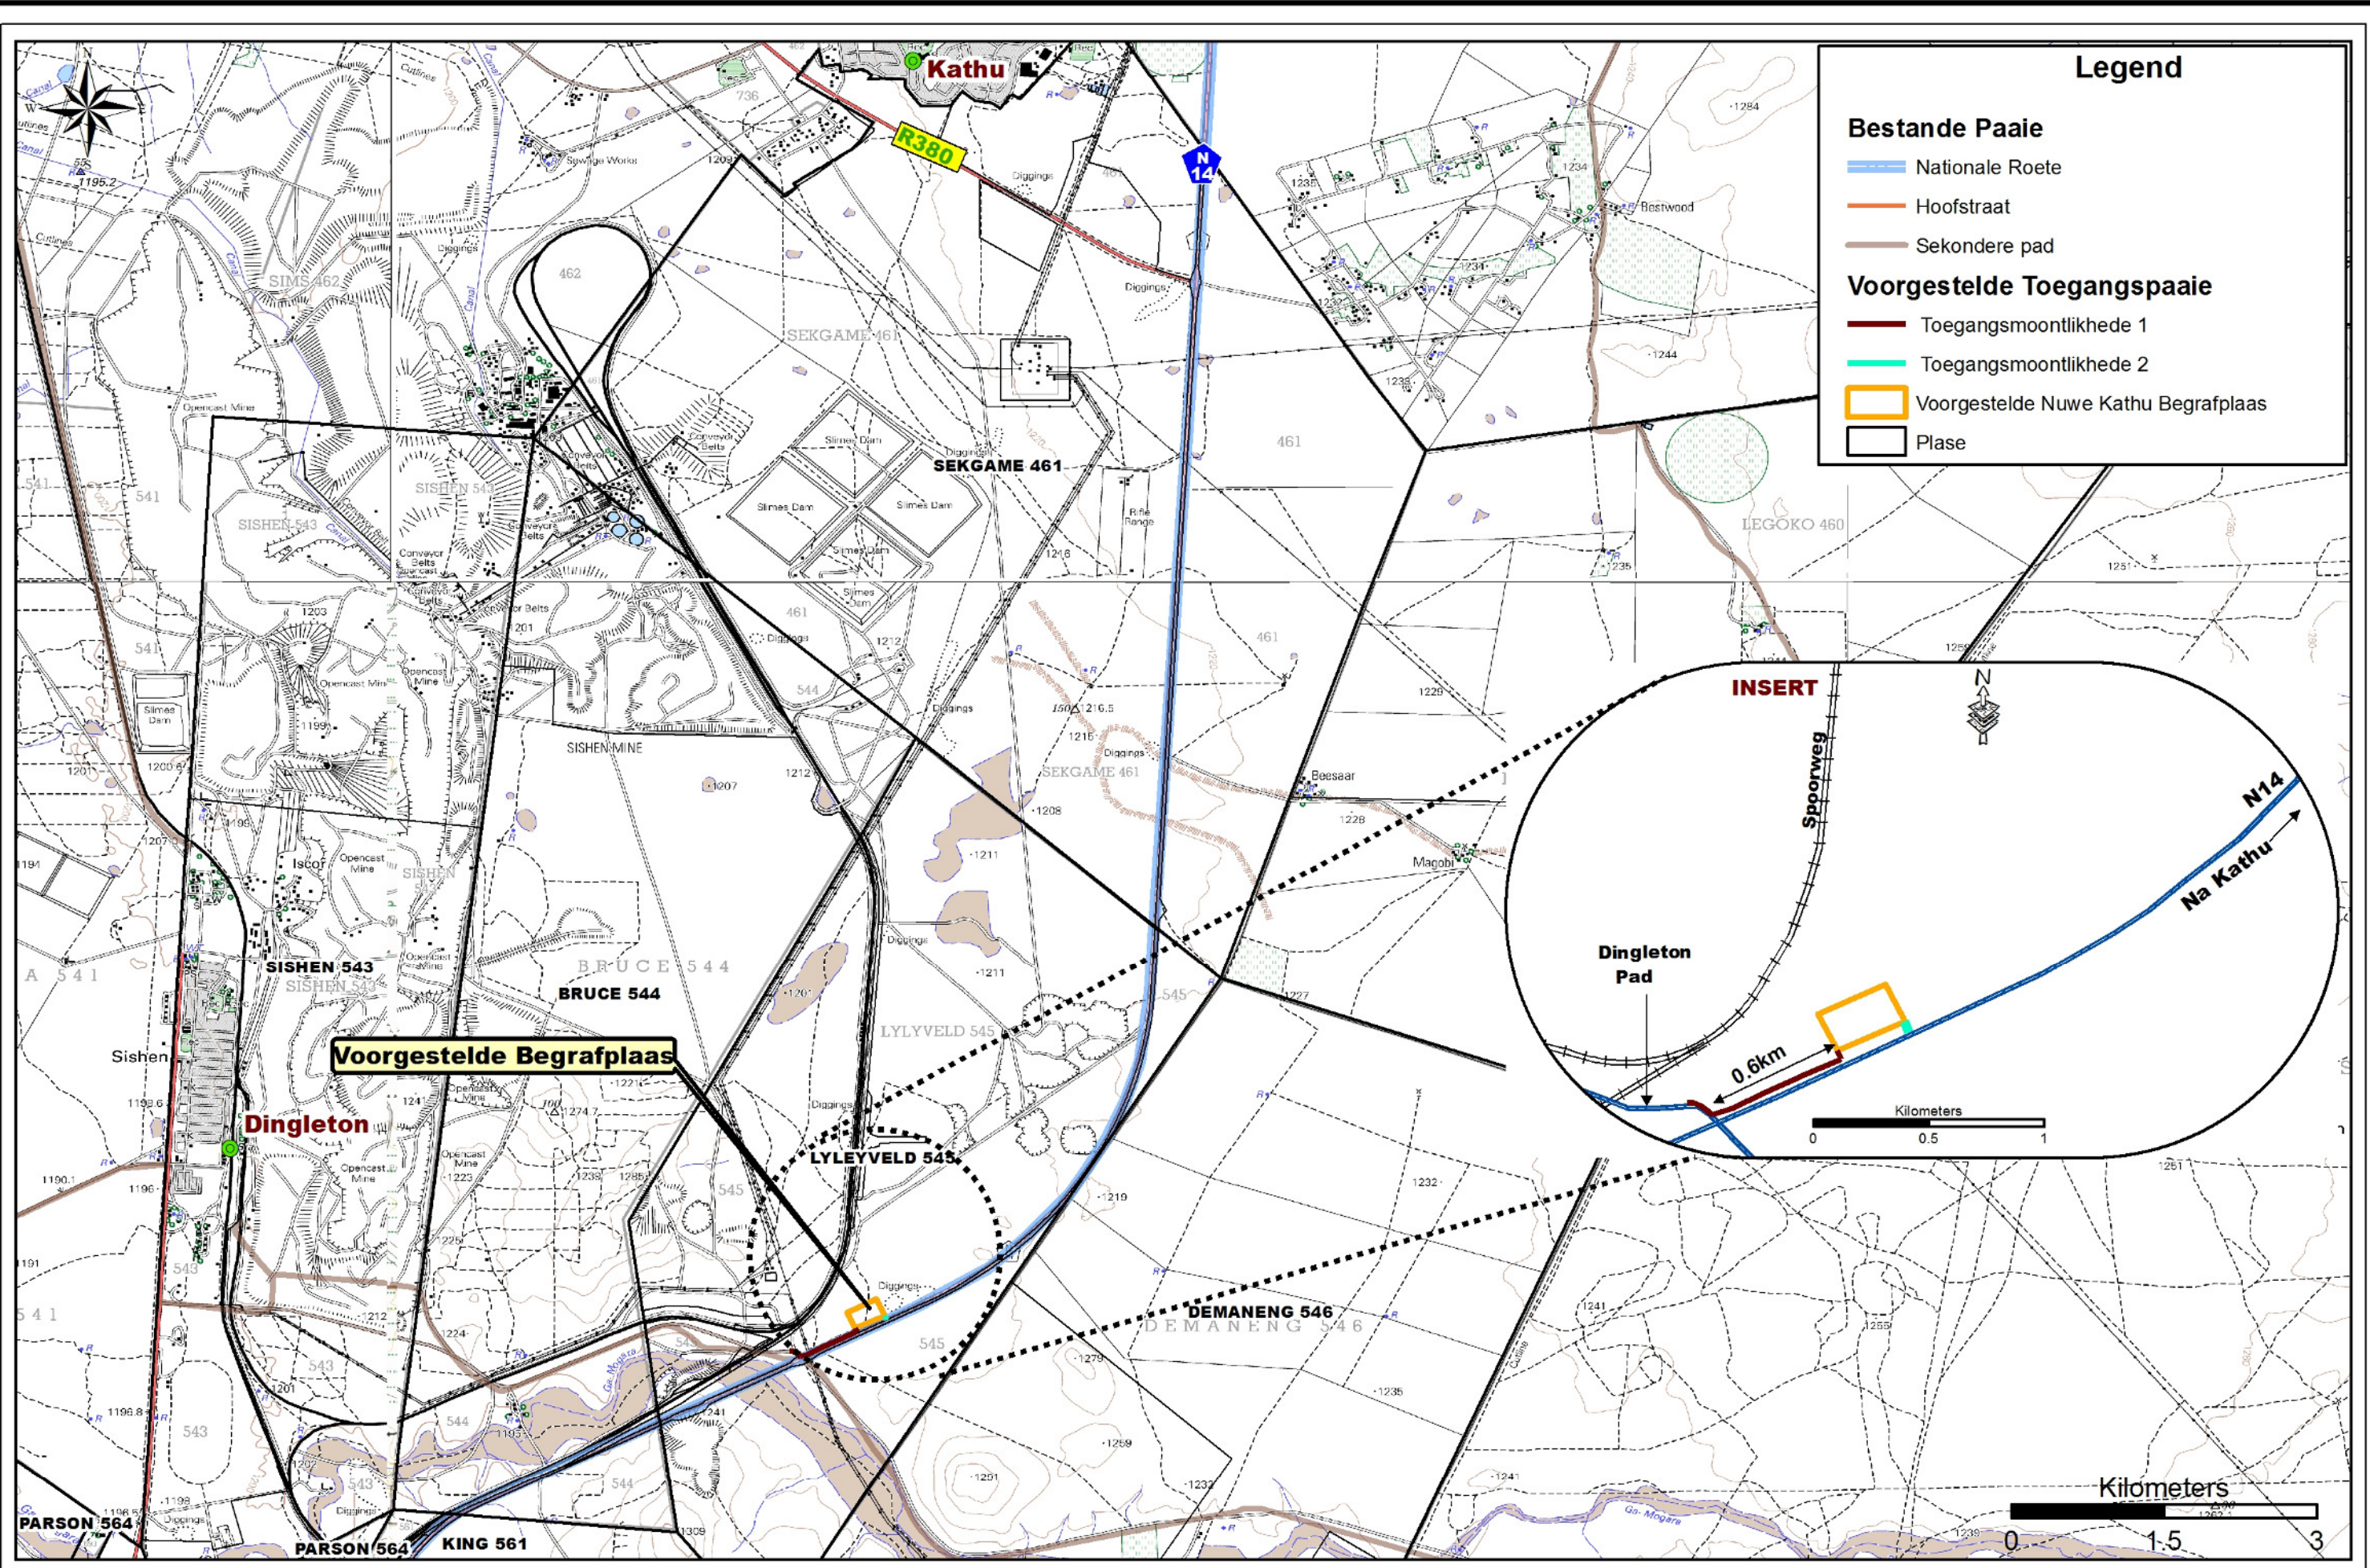

Synergistics Environmental Services (Pty) Ltd ('n SLR Groep Maatskappy) is aangestel as die onafhanklike omgewingspraktiseerders verantwoordelik vir die onderneming van die nodige omgewingswerk en om die publieke deelname proses uit te voer. Indien u enige vrae het dien dit asseblief in aan die persoon gelys hieronder:

Die uwe
