

INITIAL COMMENTS RECEIVED - PROPOSED BOTSWANA, MIDDELPUTS PIPELINE (NOVEMBER 2012 - DECEMBER 2012)					
Date	Issue	Comment	I&AP	Response	Respondent
14-Dec-12	General	Our client requires a diagram depicting the exact location on which the construction will be effected on our client's property	Duncan and Rothman Attorneys - on behalf of Haywes Trust (registered owner of Portion 2 of Farm Springbok 176	This will be included in the draft basic Assessment report	EnviroAfrica CC
		Our client further requires the manner in which the pipeline will be constructed i.e. above-ground or underground	Duncan and Rothman Attorneys - on behalf of Haywes Trust (registered owner of Portion 2 of Farm Springbok 176	The proposed pipeline will be below ground , along the existing pipeline (servitude) and R340. Please see draft Basic Assessment Report when available	EnviroAfrica CC
		When the construction will take place and for how long it will endure. According to the clients records, no servitude in respect to a pipeline is registered over his property	Duncan and Rothman Attorneys - on behalf of Haywes Trust (registered owner of Portion 2 of Farm Springbok 176	Construction can only take place once all permits/authorisations are in place. These timeframes are not known at this stage. To the planners best knowledge, there is an existing pipeline servitude along the existing pipeline. Please refer to the draft Basic Assessment Report for the proposed pipeline route	EnviroAfrica CC
