Eskom GC: Land Development	Mr. John Geeringh	On an email dated 8 December 2015, John Geeringh asked to be kept informed on the project via email.	No response
PRASA	Mr. K.P. Motsoaledi	Mr. K.P. Motsoaledi stated in an email that PRASA is in support of the project which will benefit the public.	No response
Department of Water and Sanitation	Mr. Khutjo Sekwaila	<p>In an email dated 25 February 2016, Mr. Khutjo Sekwaila from the Department of Water and Sanitation noted with concern that the proposed activity may constitute a third water use licence for the same project.</p> <p>With that said, Mr. Sekwaila stated that the department requested a site inspection as well as a formal meeting.</p>	<p>In an email dated 7 March 2016, the EAP thanked Mr. Sekwaila for his response and explained that the initial EIA was conducted in 2012 and was granted an EA. The EAP then explained how this EIA relates to the first project. Concluding that by the EAP's understanding the new proposed activity will require a water use licence application for the abstraction of ground water.</p> <p>The EAP requested a meeting on the 15<sup>th</sup> or 16<sup>th</sup> of March 2016.</p>
