Proposal from Transnet SOC for a housing development for their staff in the Postmasburg area

Thank you for your indication that development is to take place in this area.

In terms of the National Heritage Resources Act, no 25 of 1999, heritage resources, including archaeological or palaeontological sites over 100 years old, graves older than 60 years, structures older than 60 years are protected. They may not be disturbed without a permit from the relevant heritage resources authority. This means that before such sites are disturbed by development it is incumbent on the developer to ensure that a Heritage Impact Assessment is done. This must include the archaeological component (Phase 1) and any other applicable heritage components. Appropriate (Phase 2) mitigation, which involves recording, sampling and dating sites that are to be destroyed, must be done as required.

According to the information provided on this development included in the submissions to SAHRA, it is unlikely that any significant impacts on heritage resources will result from the construction of the proposed housing development as the area has already been highly impacted.

Consequently, SAHRA Archaeology, Palaeontology & Meteorites (APM) Unit has no objection to the proposed development on the condition that if any evidence of archaeological sites or remains (e.g., remnants of stone-made structures, indigenous ceramics, bones, stone artefacts, ostrich eggshell fragments, marine shell and charcoal/ash concentrations), unmarked human burials, fossils or other categories of heritage resources are found during development activities, SAHRA APM Unit (Katie Smuts/Colette Scheermeyer 021 462 4502) must be alerted immediately, and a professional archaeologist and/or palaeontologist, depending on the nature of the finds, must be contacted as soon as possible to inspect the findings. If the newly discovered heritage resources prove to be of archaeological or palaeontological significance a Phase 2 rescue operation might be necessary.

Decisions on Built Environment (e.g. structures over 60 years) and associated Living Heritage (e.g. sacred sites) must be made by the Provincial Heritage Resources Authority of the Northern Cape (Mr. Andrew Timothy, email: ratha.timothy@gmail.com) to whom this response will be copied.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully

Dear Roelf

Thank you for submitting the reply form. This registration process is not for tendering purposes. We are currently in the process of applying for environmental authorisation which needs to be obtained before construction can commence.

The details regarding the tendering process and the criteria which would be required will be announced at a later stage in the project.

Subject: Proposed Housing Development in Postmasburg, Northern Cape Province (DEA Ref No.: 14/12/16/3/3/1/991) - Notice of Basic Assessment Process

Dear Rene de Kock

Due to the need for accommodation of staff in the Postmasburg area, Transnet SOC Limited ("Transnet") is proposing a housing development in Postmasburg. The site identified for the housing development is situated on Transnet-owned land, which is located on the outskirts of the town of Postmasburg. The site falls within the Tsantsabane Local Municipality and greater Siyanda District Municipality in the Northern Cape Province.

Environmental authorisation is required for the proposed housing development from the National Department of Environmental Affairs (DEA), in terms of the National Environmental Management Act 107 of 1998 and EIA Regulations of June 2010, as amended. This application would have to be supported by a Basic Assessment process. In order to obtain this authorisation, Transnet acknowledges the need for comprehensive, independent environmental studies to be undertaken in accordance with the EIA Regulations.

Savannah Environmental has been appointed by Transnet as independent consultants to undertake the required Basic Assessment process. Please find a background information document, project notification letter and stakeholder reply form attached for your information.

Please do not hesitate to contact me if you have any queries in this regard.

Kind regards

I AM CURRENTLY RENTING A 4 ROOM R.A.P. HOUSE FOR R3000,00 A MONTH, WITH MY WIFE AND TWO KIDS. HOUSES IN POSTMASBURG IS VERY SCARCE, AND IF U DO FIND ONE THE RENT IS SKY HIGH. THATS WHY I'M INTERESTED IN THIS PROJECT, TO FIND A SAFE AND SECURE PLACE FOR MY FAMILY TO STAY, WHEN I'M ON THE NIGHTSHIFT. THE CRIME RATE IN PMG HAS PICKED UP A LOT, AND I CONSTANTLY WORRY ABOUT MY FAMILY WHEN I'M AT WORK, BECAUSE THE AREA IS RENTING IS FULL OF CRIME. I REALLY DO NEED A HOUSE FOR MY FAMILIES SAFETY.

Please list your questions, views or concerns regarding the project (add additional pages if necessary):

HOW WILL THE SELECTION BE FOR ONE TO QUALIFY FOR A HOUSE.
 DO I HAVE TO BE MARRIED WITH KIDS, TO STAND A BETTER CHANCE
 PEOPLE THAT ALREADY OWN HOUSES, AND ARE IN MANAGEMENT POSITIONS
 WILL THEY BE CONSIDERED BEFORE ME.
 WHEN WILL THE PROJECT START AND WHEN WILL THE HOUSES BE READY TO OCCUPY
