The Korana Wind Energy Facility (WEF) application for amendment to the Environmental Authorisation and availability of the Motivation Report (MR) was announced on Monday, 27 July 2020. The notification letter served to invite Interested and Affected Parties (I&APs) to register their interest in the project and to submit any comments / queries that they might have. All written comments received during the 30-day review and comment period of the MR will be included in the table below and submitted with the final Motivation Report.
