Dear Sir/s

RE: ASSESSMENT REPORT FOR THE REPOSITIONING OF FIVE (5) BROILER HOUSES ON FARM KILLARNEY, MKHAMBATHINI, REFERENCE NUMBER: DC22/0023/09.

The Assessment Report dated 8 May 2013 and submitted for the above-mentioned actions refers:

Following the review of the Assessment Report, the Department of Agriculture and Environmental Affairs (hereafter referred to as "the Department") hereby **approves** the Assessment Report, subject to the following being ensured:

- You are reminded that you are still required to adhere to and implement all relevant management recommendations included in the approved Environmental Management Programme produced for the construction of seven (7) broiler houses on Farm Killarney.
- Construction of the development must be in accordance with the approved layout plan as prepared by Pangolin Structures, referenced as Makhalempongo 1043/01. Any changes or deviations from the approved layout plan must, obtain approval by all relevant authorities before such changes may be effected.
- As per your correspondence dated 5 June 2013, it is acknowledged that due to the entire development being situated within 500 metres of the wetland, you are required to lodge an application for a water use license from the Department of Water Affairs.
- This Department retains its right to inspect the site at any time during its construction and operational phases.
- All relevant parties must also be reminded on their responsibility for compliance with the provisions for Duty of Care and remediation of damage contained in Section 28 of NEMA, Act 107 of 1998.

For: Acting Head of Department
Department of Agriculture and Environmental Affairs
