

**APPENDIX F:**

**LICENCES, AUTHORISATIONS, MUNICIPALITY SERVICE  
LETTERS, WATER SUPPLY INFORMATION**

---

All the above additional documents are not applicable in this application for Environmental Authorisation. No Water Use Licence for the proposed upgrade activity, the site is within an existing data centre facility where no heritage concerns have been identified.

Furthermore, existing services on site will be utilised for the proposed upgrade therefore there are no required agreements with the municipality for water services and/or supply information.
