

**NOTIFICATION OF AVAILABILITY OF
DOCUMENTS**

11 February 2020

Dear Stakeholder and Interested and Affected Party,

NOTICE OF WATER USE AUTHORISATION AND PUBLIC PARTICIPATION PROCESS

WILMAR VEGETABLE OIL PIPELINE IN THE RICHARDS BAY AREA, KWAZULU-NATAL PROVINCE

Wilmar Processing SA (Pty) Ltd is proposing the development of a vegetable oil pipeline in the Richards Bay Port and the Richards Bay Industrial Development Zone area, located 3km south-east of the Richards Bay Central and 2km south of Arboretum in the KwaZulu-Natal Province. The proposed vegetable oil pipeline will be approximately 2.5km in length and run from the Port of Richards Bay and connect to a proposed oil processing facility (not part of this application) planned on Lot 17442 (site) within Phase 1A of the IDZ. The proposed pipeline will comprise of four (4) carbon steel pipes with a diameter of approximately 8 inches (216mm) each.

The proposed development falls within the Pongola-Mtamvuna Water Management Area (WMA) within Quaternary Catchment Area, W12F. The development also falls within Ward 02 of the City of uMhlathuze Local Municipality and the greater King Cetshwayo District Municipality in the KwaZulu-Natal Province. The proposed pipeline will extend from the Richards Bay Harbour Port to the Richards Bay Industrial Development Zone (RB IDZ), and the affected properties include the following:

- » Remainder of the Farm Lot 223 Umhlathuze No. 16230
- » Remainder of Portion 21 of Erf 5333
- » Portion 157 of Erf 5333 Richards Bay
- » Erf 16856 Richards Bay
- » Erf 16181 and 16182 Richards Bay
- » Erf 17424 and Erf 17422

This letter serves to inform you that in terms of Section 40 as well as 21(c) and (i) of the National Water Act (Act No. 36 of 1998), the Wilmar Vegetable Oil Pipeline requires water use authorisation. Savannah Environmental is undertaking the required water use authorisation and public participation process for the project.

WATER USE AUTHORISATION PROCESS

In terms of Section 40 as well as 21(c) and (i) of the National Water Act (Act No. 36 of 1998), the Wilmar Vegetable Oil Pipeline requires water use authorisation. Savannah Environmental is undertaking the required water use authorisation and public participation process for the project.

WATER USE AUTHORISATION DOCUMENTATION AVAILABLE FOR REVIEW

The requisite documentation towards the water use authorisation, including amongst others, the section 21c&i documents, the associated Risk Assessment, Wetland Delineation and Impact Assessment study, Final Basic Assessment Report, the Environmental Management Programme, the Integrated Water and Waste Management Plan, along with other Department of Water and Sanitation requested documentation, is available for review and comment.

These documents are available for download on <https://www.savannahsa.com/public-documents/other/wilmar-vegetable-oil-pipeline-water-use-authorisation-process/>. The required **60-day review and comment period** of the documents for the water use authorisation process is from **Friday, 14 February 2020** until **Friday, 17 April 2020**. Please submit written comments to Savannah Environmental on or before **Friday, 17 April 2020**.

Please do not hesitate to contact us should you require additional information and/or clarification regarding the water use authorisation process. Our team welcomes your participation and looks forward to your comments relating to this application.

Kind regards

Nicolene Venter

Public Participation and Social Consultant

Wilmar Vegetable Oil Pipeline Water Use Authorisation Process

Project Name: Wilmar Vegetable Oil Pipeline in the Richards Bay area, KwaZulu-Natal Province.

Applicant: Wilmar Processing SA (Pty) Ltd.

Proposed Activity: Wilmar Processing SA (Pty) Ltd is proposing the development of a vegetable oil pipeline in the Richards Bay Port and the Richards Bay Industrial Development Zone area, located 3km south-east of the Richards Bay Central and 2km south of Arboretum in the KwaZulu-Natal Province. The proposed vegetable oil pipeline will be approximately 2.5km in length and run from the Port of Richards Bay and connect to a proposed oil processing facility (not part of this application) planned on Lot 17442 (site) within Phase 1A of the IDZ. The proposed pipeline will comprise of four (4) carbon steel pipes with a diameter of approximately 8 inches (216mm) each. The proposed development falls within the Pongola-Mtamvuna Water Management Area (WMA) within Quaternary Catchment Area, W12F. The development also falls within Ward 02 of the City of uMhlatuze Local Municipality and the greater King Cetshwayo District Municipality in the KwaZulu-Natal Province.

Project Location: The proposed pipeline will extend from the Richards Bay Harbour Port to the Richards Bay Industrial Development Zone (RB IDZ), and the affected properties include the following:

- | | |
|---|------------------------------------|
| » Remainder of the Farm Lot 223 Umhlatuze No. 16230 | » Erf 16856 Richards Bay |
| » Remainder of Portion 21 of Erf 5333 | » Erf 16181 and 16182 Richards Bay |
| » Portion 157 of Erf 5333 Richards Bay | » Erf 17424 and Erf 17422 |

Water Use Authorisation Process: In terms of Section 40 as well as 21(c) and (i) of the National Water Act (Act No. 36 of 1998), the Wilmar Vegetable Oil Pipeline requires water use authorisation. Savannah Environmental is undertaking the required water use authorisation and public participation process for the project.

Water Use Authorisation documentation available for review: The requisite documentation towards the water use authorisation, including amongst others, the section 21c&i documents, the associated Risk Assessment, Wetland Delineation and Impact Assessment study, Final Basic Assessment Report, the Environmental Management Programme, the Integrated Water and Waste Management Plan, along with other DWS requested documentation, is now available for review and comment. These reports are available for download on <https://www.savannahsa.com/public-documents/other/>. The **60-day review and comment period** of the documents for the water use authorisation process is from **Friday, 14 February 2020 – Friday, 17 April 2020**. Please submit written comments to the person below on or before **Friday, 17 April 2020**.

To obtain further information and to register on the project database, please submit your name, contact information and interest in the project to:
