

WULA:

The screenshot shows the 'e-WULAAS - Water Use Licence Applications' web interface. At the top, a dark blue header displays the user's name 'Ms Hlengile Mtsweni (Environmental Consultant)' and email 'hlengile@ecoleges.co.za'. Below this is a navigation menu with tabs for 'HOME', 'How To', 'Consultant', 'Client', 'Applications', 'Withdraw', 'Cancel Licence', 'Status', 'Correspondence', 'Support', and 'Logout'. A secondary menu indicates the current phase: 'Phase 1: Application' (highlighted in red), with sub-tabs for 'Water Uses', 'Properties', 'Admin Docs', 'Application Forms', and 'Submit'. Other phases listed are 'Phase 2: Site Visit', 'Phase 3: Tech Report', and 'Application Forms Tech Docs Submit'. The main heading is 'Pre-Application Water Use Enquiries/Current Water Use Applications'. The 'Water User(s)' section shows a dropdown menu with 'SOVENTIX SOUTH AFRICA (PTY) LTD' selected and a list of applications including 'WU26437 - Development of a 400 MW Solar PV facility' and 'WU28653 - Soventix Element Six Solar PV'. The 'Application Information' section contains several mandatory fields: '*Authorised Signatory for Application Submission' (Ms Hlengile Mtsweni), '*Primary Contact Person for Application' (Ms Hlengile Mtsweni), '*Type of Application' (New Registration), and '*Application Name' (Soventix Element Six Solar PV). It also includes text boxes for 'Why are you applying for a Water Use Application?' and 'What is the Main Activity that will take place for this Application?'. The '*What is the Main Purpose of the Application?' field is filled with 'c. Working in or near a Water Course/Drainage Line Detailed information --> use Main Purpose option...'. The Windows taskbar at the bottom shows the date as 2023/04/05 and the time as 15:36.
