PUBLIC PARTICIPATION PROCESS NOTIFICATION FOR THE DEVELOPMENT OF A NEW SERVICE STATION ON ERVEN 1685 & 1729, KRIEL, MPUMALANGA

SEC PROJECT NUMBER: 016038

The Applicant, Royale Energy, proposes to develop a service station and associated infrastructure on Erven 1685 & 1729, Kriel next to the R547, Mpumalanga Province. Part of the property is currently used as a repair workshop for vehicles and the other part is vacant land; the proposed development will be built on the vacant land. Erf 1729 will form part of the thoroughfare from the R547 Road to the proposed service station.

Below is a summary of the development proposal:

- Five 30m³ capacity underground fuel storage tanks for the storage of Diesel and Unleaded Petrol
- Five pump dispensers
- Fuel tank filler points
- Separator system for surface runoff
- Associated underground fuel and filler lines
- A forecourt canopy covering the forecourt area
- A convenience store
- ATM's.

Sillito Environmental Consulting ("SEC") has been appointed by the Applicant to undertake an application for an Environmental Authorisation for the proposed development.

The proposed development triggers an activity listed in terms of the Environmental Impact Assessment Regulations published in 2017 in terms of the National Environmental Management Act (Act No. 107 of 1998) as amended. The activity in question is listed as follows:

- **Government Notice No. 327 of the EIA Regulations 2017, Listing Notice 1 Activity 14**

The application process for Environmental Authorisation is a Basic Assessment process as defined in the 2017 NEMA EIA Regulations contained in *Government Notice No. 326 of 2017*.

Public consultation is a component of the Basic Assessment process. As such, you are hereby notified of the public participation process and of the availability of the draft Basic Assessment Report for your review and comment.
