Dear Sir or Madam:

CONSTRUCTION OF THE PARK RYNIE ASPHALT PLANT WITHIN THE UMDONI LOCAL MUNICIPALITY

Your notification dated February 2020 refers.

In reference to the Electronic Communications Act no. 36 of 2005

This company's existing underground infrastructure which will be affected by the above-mentioned proposal has been indicated on the attached **TELKOM DOC. - EWIP_NSBH0656_21**

Alterations to existing infrastructure may be necessary. An estimate of the cost involved will be furnished upon receipt of a written request.

Telkom SA SOC Ltd infrastructure is normally buried at a depth of 0.6m and although the position thereof is shown as accurately as possible, these positions should be regarded as approximate only.

It would be appreciated if you could timeously advise **Mr S. Maistry** of this company on telephone no. **081 475 0160** when you intend commencing the above-mentioned work as there are important **OPTIC FIBRE and COPPER CABLES** in the vicinity of your proposal.

Should you require the infrastructure to be relocated, it will be undertaken at your request and cost.

Telkom SA SOC Ltd cannot accept responsibility for any reinstatement costs and our infrastructure should be accessible at all time.

Approval of the proposed is valid for six months. If construction has not yet commenced within this time period then the file must be resubmitted for approval. Any changes and deviations from the original planning during construction must be immediately communicated to this office.

Yours Faithfully

.....
