NOTICE OF AN ENVIRONMENTAL AUTHORISATION AMENDMENT AND PUBLIC PARTICIPATION PROCESS

SIRIUS SOLAR PV PROJECT TWO, NORTHERN CAPE

(DEA REF: 14/12/16/3/3/2/481)

Project Name: Sirius Solar PV Project Two, Northern Cape Province.

Applicant: Sirius Solar PV Project Two RF (Pty) Ltd

Proposed Amendments: To include the construction and operation of a Battery Energy Storage System (BESS) for the authorised Sirius Solar PV Project Two, with a capacity of up to 4.5GWh, as well as an increase in the contracted capacity of Sirius Solar PV Project two by 75MW within the authorised development footprint. The BESS will have a footprint of approximately 6.5ha and will connect to the authorised on-site facility substation via underground cables.

Taking the above into consideration, Sirius Solar PV Project Two RF (Pty) Ltd is requesting the Department of Environment, Forestry and Fisheries to amend the project description of the EA (dated 9 July 2014) as follows:

Export Capacity	150MW
Battery Energy Storage System	Consisting of the following components: - Lithium-ion, Lithium Iron Phosphate, Sodium Sulphur and Vanadium Redox batteries inside containers with a maximum height of 2.8m; and - Multi-core, 33kV underground cables to connect the battery storage area to the on-site facility substation of the solar PV facility.

Project Location: ~21km south-west of Upington, within the Kai !Garib Local Municipality and the ZF Mgcawu District Municipality on the Remaining Extent of the Farm Tungsten Lodge 638. The project falls within the Upington Renewable Energy Development Zone (REDZ 7).

In terms of Condition 5 of the Environmental Authorisation dated 9 July 2014 and Regulation 31 of the EIA Regulations of December 2014, as amended, it is possible for an Applicant to apply, in writing, to the competent authority for a change or deviation from the project description to be approved.

Motivation Report available for review and comment: Savannah Environmental has compiled a Motivation Report in support of the application for the proposed amendments. The Motivation Report is available for download, review and comment on the Savannah Environmental website. Visit our website at: https://www.savannahsa.com/public-documents/energy-generation/. The 30-day review and comment period for the Motivation Report is from **11 September 2020** to **12 October 2020**. The final date to submit comments is **Monday, 12 October 2020**.

Wetteloosheid en vandalisme is kommerwekkend

GEMSBOK-UPINGTON: Die regering het sy kommer uitgespreek oor die vandalisering en afbrand van Clicks-winkels regoor die land en gesê dat dit teenstrydig is met die gees van vrede en respek vir menseregte.

Die regering het Maandag in 'n verklaring gesê dat die openbare verontwaardiging erken word na die Clicks-advertensie, waar 'swart hare' as "droog en beskadig" uitgebeeld word.

Die regering het gesê hoewel dit ewe verontreg word deur die kru rassistiese uitbeelding deur die betrokke advertensie, is hierdie dade van wetteloosheid, insluitend vandalisme en die afbrand van Clicks-winkels, Maandag kommerwekkend.

Daar word gesê dat dit teenstrydig is met "die gees van vrede en respek vir menseregte wat hierdie land sedert die aanbreek van demokrasie gevorm het".

Die regering het hom ook uitgespreek teen wettelose gedrag en gesê dat hierdie soort gedrag nie die verantwoordelike manier is om konflik op te los nie.

Ook op Upington moes die SAPD ingryp toe woedende politiese betogers die kettingwinkel bestorm het as deel van die landswye onluste.

Niemand plak binne die Valke gebou

Daar is vrye toegang tot die perseel wat deur die SAPD se Valke beset word, daarom gebruik lede van die publiek die perseel as ablusie gerief of oornagfasiliteite vir haweloses.

GEMSBOK-UPINGTON: Na aanleiding van die berig oor die "plakkers" wat hulle op die perseel wat tans deur die SAPD se Valke beset word, het die Gemsbok verder met verskeie ingeligtes gepraat.

Dit het aan die lig gekom dat die plakkers nooit binne die gebou kan of mag slaap nie, maar wel van die res van die perseel gebruik maak.

Ook het dit aan die lig gekom dat verskeie lede van die publiek die perseel gebruik as ablusie gerief, aangesien die naaste publieke ablusieblok heeltemal te ver van plekke soos die poskantoor en arbeidskantore is, waar daar daagliks lang toue mense staan.

Dit blyk dat die gebrek aan genoeglike veiligheidsmaatsreels soos veiligheidsheinings ens van hierdie persele, wat tans in die besit van departement openbare werke is, 'n oop uitnodiging is vir enige persoon wat die perseel wil betree, hetsy om as ablusie gerief of selfs as oornagfasiliteite te gebruik.

"Ek is die een wat Sondae vir hierdie mense kerk hou en sorg dat hulle iets ordentlik te ete kry. Ek sal nie daarmee ophou nie, dit is tussen my, my God en die haweloses. Enige persoon is welkom om met my hieroor te kom praat. Ek doen dit nie as polisieman nie, maar as christen. Ons is maar net 'n handjievol wat dit doen, terwyl die res van die dorp oor hul neuse kyk na die wat hulp nodig het," het kol De Witt Botha die afgelope week aan die Gemsbok gesê.

Intussen is die Gemsbok besig met 'n ondersoek na die toename in haweloses, straatkinders en verskeie rolspelers wat hierdie kwesbare groepe in die steek laat.

Motorinbrekers binne ure vasgetrek

GEMSBOK-UPINGTON: Lede van die ZF Mgcawu Disrict Covid-19-operasiespan het twee mans in hegtenis geneem weens diefstal uit motorvoertuie.

Volgens 'n polisie woordvoerder het dit gevolg nadat 'n klagte ontvang is van 'n vermeende diefstal van meer as R11 000 uit 'n voertuig deur twee mans in 'n rooi Ford Fiesta by die winkelsentrum.

Die polisie het onmiddellik 'n grootskaalse soektog begin en die voertuig is later in Kathu opgemerk, waar die twee verdagtes van 30 en 46 jaar in hegtenis geneem is.

Hulle het daarin geslaag om die kontant en selfone wat vasgelê is, vir verdere ondersoek te verhaal.

Die bestuur van die ZF Mgcawu-distrik het die lede van Hoofweg Patrollie geprys wat hand aan hand met Kathu SAPS gewerk het om die oortreders vas te trek.

Heinri Basson van Nkomazi Fuel & Oil het die SAPD bedank vir hul puik diens tydens die voorval. Hy beskryf die gebeure as volg:

"AO Van Dyk van die Upington SAPD was my eerste kontak toe ek by stasie kom. Die lede het onmiddelik opgetree, alvorens ek my volle verklaring kon afgee en die saak nommer nog beskikbaar was.

Mnr Links van die radiobeheer het kontak met AO Reed gemaak en die het binne enkele minute die kamera bewys gaan deur kyk by die mall.AO Reed het op uitstaande kernmerke op voertuig en verdagtes opgemerk en onmiddelik het hulle opgetree en die ander SAPD takke by Olifantshoek en Kathu in kennis gestel om op die uitkyk te wees vir die spesifieke voertuig.

Sersant Mqaisa was op bystand en het opgevolg en toe die voertuig gekry met die verdagtes. Ek will net dankie sê aan ons SAPD lede wie so spoedig opgetree het en my innige dankbaarheid betoon. Nooit kon ek my ore glo toe ek hoor die verdagtes is in skaars drie ure na die misdaad gepleeg is, in 'n ander dorp vasgekeer nie. Dit was die spoedige optrede van die bogenoemde lede wat my weer laat opkyk na die polisie."

LEWENSLANK TRONK TOE

Gevreesde goudbaas, nog 2 gestraf

Skuldig aan moord op onwettige mynwerker

Alet van der Walt

David One-Eye en twee van sy makkers, Lefoso Makena Mosia (27) en Molefi Michael Mahloane (56), is al drie lewenslank tronk toe gestuur vir die moord op een van One-Eye se handlangers, 'n onwettige mynwerker.

Regter Abe Mathebula het die mans in die rondgaande hof in Virginia gevonnis nadat hulle in Julie aan moord skuldig bevind is.

David One-Eye, wie se ware identiteit onseker is, staan ook bekend as Eric Ndlovu of David Kumbi. Hy is vermoedelik van Mosambiek.

Hy is een van die mees gevreesde smokkelbase in die Vrystaatse Goudveld en hoewel hy nou eers aan moord skuldig bevind is, is baie polisielede, informante en veiligheidswagte daarvan oortuig dat hy al baie mense vermoor of laat vermoor het.

Die drie mans het op 12 Julie 2017 vir Mahlomola Pin Mokoena (34) in Odendaalsrus se begraafplaas ingewag en vermoor.

Mokoena en twee vriende wou saam onwettig goud uithaal. Mokoena het aan sy vriende gesê hy wag vir 'n foonoproep en dat hulle dan saam na die begraafplaas sal gaan om reëlings te tref.

Die mans het David Mahloane en Mosia by die begraafplaas ontmoet. Die drie vriende het tot in die middel van die begraafplaas gestap, min wetend dat dit 'n lokval is.

Hier het David One Eye hulle ingewag en sy geld geëis vir goudklonte wat Mokoena hom skuld.

Toe Mokoena aan die smokkelbaas sê hy het nie die geld om hom te betaal nie, het hy Mahloane en Mosia aangesê om Mokoena dood te skiet.

Mokoena se vriende het gevlug en die voorval by die polisie aangemeld.

David One-Eye is hierna in hegtenis geneem, maar met die hulp van ao. Benjamin Marumo (54) op borgtog vrygelaat.

Marumo het onder eed gelieg en gesê David One-Eye het nie 'n misdaadrekord nie.

Marumo is gevonnis tot drie jaar tronkstraf vir regsverydeling en is uit die polisie geskors.

Die moord op past. Nico Puomo, wat 'n huis aan One-Eye verkoop het en blykbaar nie sy geld uit hom kon kry nie, asook drie goudsindikaatleiers, Nico Rasethuntsha, Eric Vilikazi en Thapelo Talla, is nog nie opgelos nie.

Nog twee mans, Joseph Ketela, ook bekend as Majozi, en 'n oudpolisielid, George Nkahatho, het in Januarie 2018 verdwyn. Ketela se uitgebrande motor is naby 'n mynhostel gekry, maar die twee mans het spoorloos verdwyn.

Die polisie vermoed hul lyke is in 'n ou mynskag afgegooi.
