Dear Ms Bruwer

PROPOSED HOUSING DEVELOPMENT – APPLICATION FOR SERVITUDE CONDITIONS AND SEIZE TO BE RELAXED OVER ERVEN 544 & 745, OLYVENHOUTS DRIFT SETTLEMENT AGRICULTURAL HOLDING: KHARA HAIS MUNICIPLAITY, NORTHERN CAPE PROVINCE

Your e-mail dated 26 August 2015 refers.

Please be advised that the Department of Water and Sanitation do not support the notion of relaxation of the 31.49 meter servitude over Erven 544 and 745 of Olyvenhouts Drift Settlement Agricultural Holding. The department is in the process of registering the servitude in the relevant Deeds Office.

The canal and siphon is in operation for more than 30 years and when maintenance or rehabilitation of the canal and siphon will be undertaken, the minimum width of 31.49 meter will be needed by the heavy machinery.

Yours sincerely

Ms Margaret-Ann Diedricks
DIRECTOR-GENERAL
