

Skuitdrift 10MW PV Solar Facility - Coordinates

	Coordinates	
	Latitude (S)	Longitude (E)
Development footprint 250m powerline coordinates – Starting in the north western corner moving to the existing Schuitdrift substation)		
250m	28°36'49.053"S	19°46'30.198"E
500m	28°36'45.077"S	19°46'22.066"E
Grid connection alternatives – 630m power line corridor		
Start coordinate (on-site substation)	28°36'49.38"S	19°46'39.141"E
Middle coordinate	28°36'48.275"S	19°46'27.913"E
End coordinate	28°36'42.03"S	19°46'22.959"E
