**PROPOSED NAMAKWA REGIONAL WATER SUPPLY BORROW PITS ON REMAINDER OF FARM 21, CONCORDIA, NORTHERN CAPE - PROPOSED BORROW PIT APPLICATION**

Notice is hereby given that EnviroAfrica CC was appointed by the applicant Department of Water Affairs to execute the registration process for mining permits for the borrow pits and complete the Environmental Management Plan (including the Public Participation Process) as stipulated in Regulation 52 of the Schedule published in the Government Notice R 527 GG No 26275 dated 23 April 2004 as well as Section 10 and 39 of the Minerals and Petroleum Resources Development Act, Act 28 of 2002.

The application is to open borrow pits for the usage of sand during the Namakwa Regional Water Supply project at three different sites.

Co-ordinates are as follows:

Site 1: 29°30.902' S; 17°51.608' E

Site 2: 29°28.253' S; 17°50.348' E

Site 3: 29°25.972' S; 17°50.032' E

The excavated material is to be used to assist the rehabilitation of the regional water supply pipeline. The borrow pits will also serve as the drop off site for the removal of rock heaps that obstruct the pipeline construction.

On each site, topsoil removal will take place by using trucks, front end loaders and/or bulldozers to for rehabilitation. Each site will be approximately 60X40 m<sup>2</sup> with an average depth of 1.5 m.

**Public Participation:** Interested and Affected Parties (I&APs) are hereby notified of the application and invited to and/or provide comments in writing relating to this project to the contact details provided below, on or before 17 March 2014. In order to submit comment, I&APs should refer to the project name and provide their name, address & contact details (indicating your preferred method of notification) and an indication of any direct business, financial, personal, or other interest which they have in the application.

**Consultant:** EnviroAfrica CC. P.O. Box 5367, Helderberg, 7135 / Fax: 086 512 0154 / Tel: 021 8511616
