

Noupoort CSP Project, Northern Cape Province

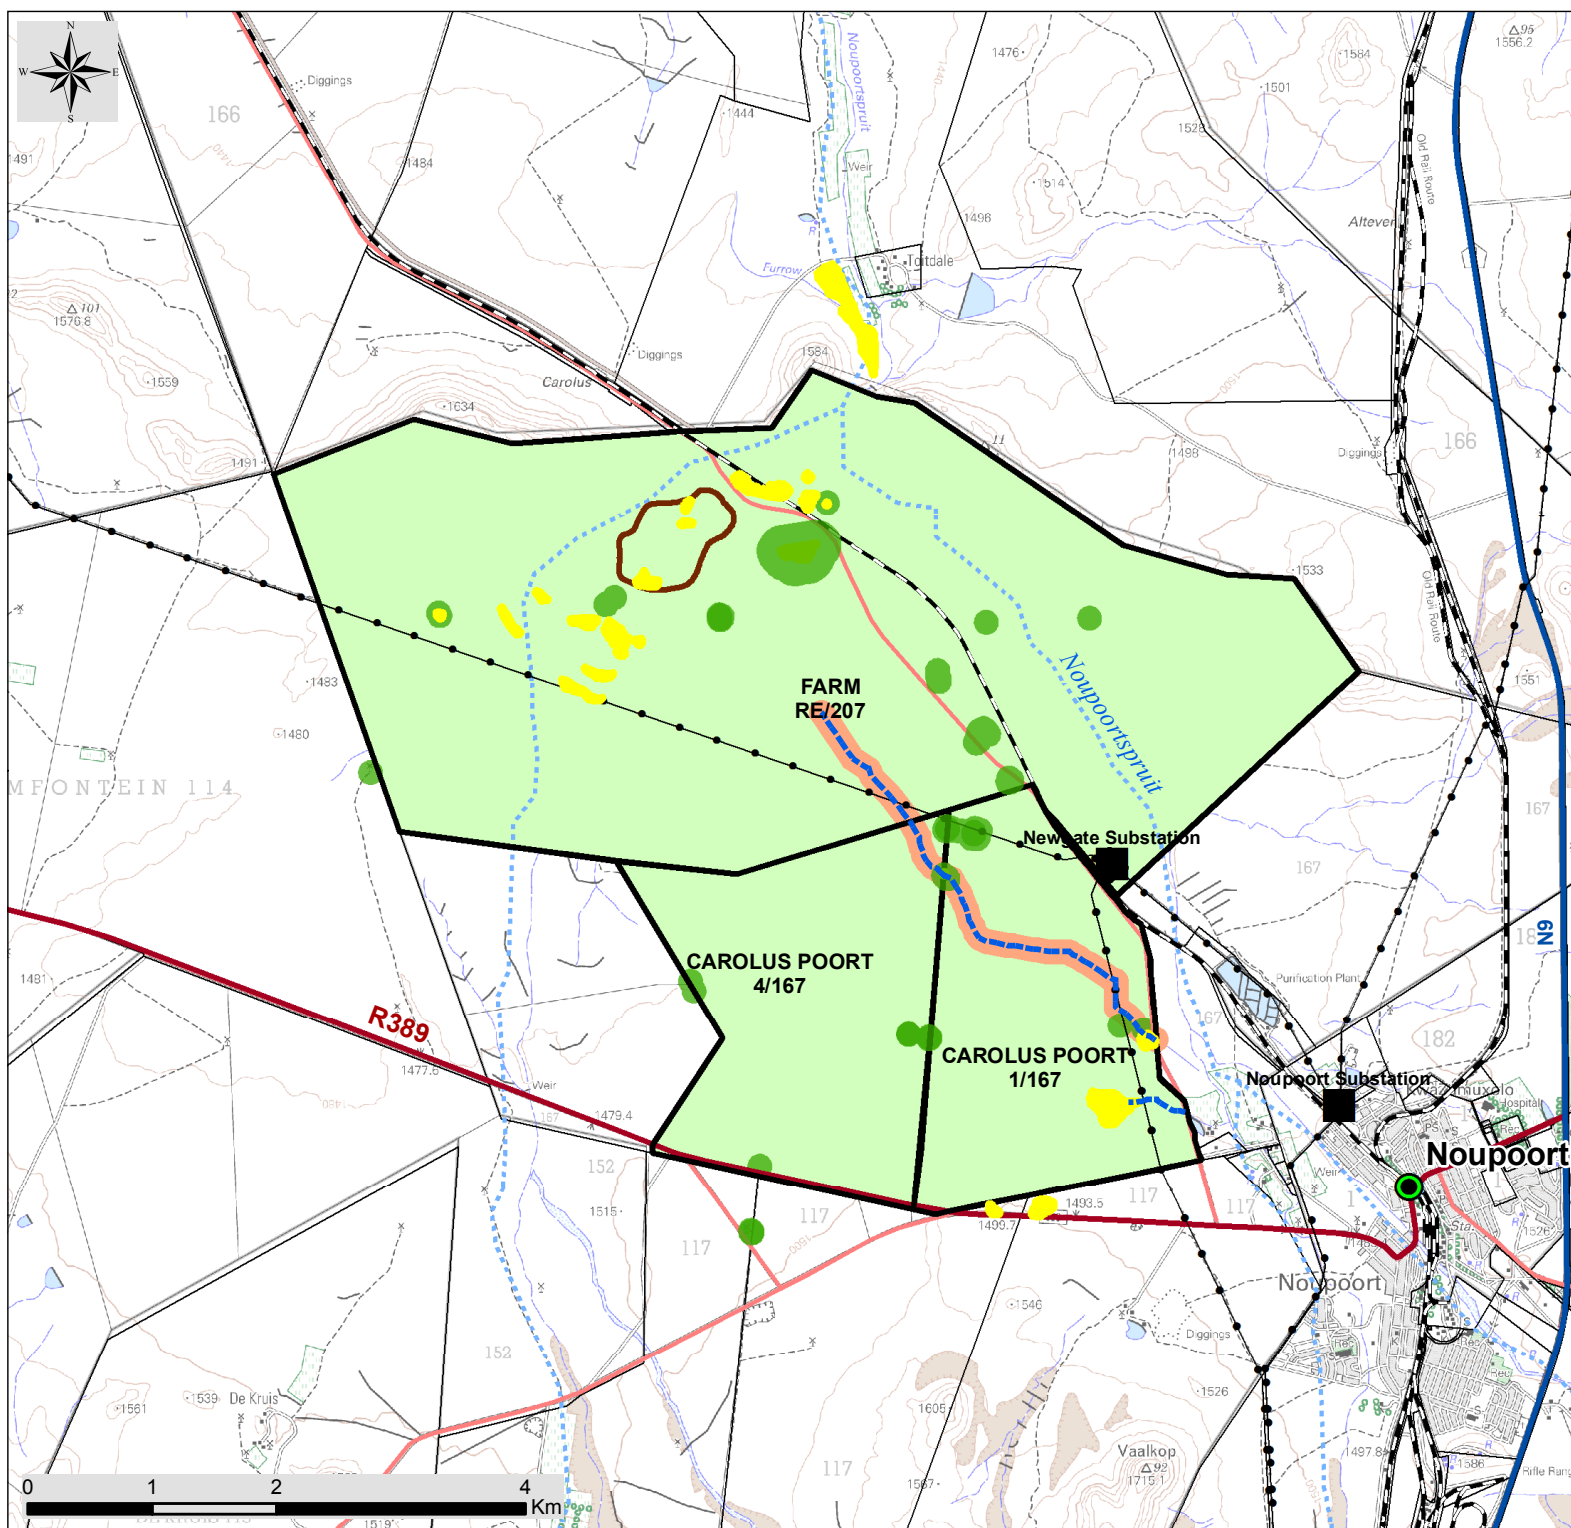

Scoping Phase Environmental Sensitivity Map
(Medium Sensitivities)

Legend

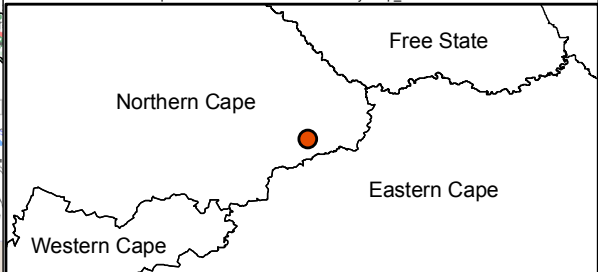

-  Existing Substations
-  Existing Power Line
-  Railway line
-  National Route
-  Regional Road
-  Secondary Road
-  Non Perennial river
-  Noupoort CSP Project Site

Environmental Sensitivities:

-  Furrow (Medium Heritage Sensitivity)
-  Donga (Medium Heritage Sensitivity)
-  100m Furrow buffer (Medium Avifaunal Sensitivity)
-  35m Artificial wetland buffer (Medium Ecological and Heritage Sensitivity)
-  100m Artificial water feature buffer (Medium Avifaunal Sensitivity)
-  Natural Eastern Upper Karoo (Medium Ecological Sensitivity)

Savannah Scale: 1:60 718
 Projection: LO 25 GCS_WGS_1984
 Map ref#: Cresco CSP MedSensitivity Map_13.05.2016

Noupoort CSP Project, Northern Cape Province

Scoping Phase Environmental Sensitivity Map
(No-go areas, very high- and high sensitivities)

Legend

-  Existing Substations
 -  Existing Power Line
 -  Railway line
 -  National Route
 -  Regional Road
 -  Secondary Road
 -  Non Perennial river
 -  Noupoort CSP Project Site
- Environmental Sensitivities:**
-  Secretary Bird Nest (Avifaunal No-Go area)
 -  100m Wetland buffer & additional area (Avifaunal No-Go area)
 -  Habitat for sensitive avifaunal species (Avifaunal No-Go area)
 -  Dolerite Ridge (Very High Ecological Sensitivity)
 -  Valley-Bottom Wetlands (Very High Ecological Sensitivity)
 -  80m Valley-Bottom Wetland Buffer (High Ecological Sensitivity)
 -  Depression Wetlands (Very High Ecological Sensitivity)
 -  50 m Depression Wetland Buffer (High Ecological Sensitivity)
 -  Artificial Wetlands (High Ecological Sensitivity)
 -  Habitat for sensitive avifaunal species (High Avifaunal Sensitivity)
 -  Drainage Lines (Very High Ecological Sensitivity)
 -  35m Drainage Lines Buffer (High Ecological Sensitivity)
 -  Outcrops & Ridges (High-Medium Ecological and Heritage Sensitivity)

 Scale: 1:76 070
Projection: LO 25 GCS_WGS_1984
