**NOTICE OF AN APPLICATION IN TERMS OF THE MINERAL AND  
PETROLEUM RESOURCES DEVELOPMENT ACT, 2002 (ACT 28 OF 2002  
MPRDA)**

Raubax Construction (Pty) Ltd has applied for a mining permit on a portion of Portion 0 of the farm Leraalong 835 Thaba'Nchu RD, Free State Province (Reference: FS 3015/1/3/2/10077MP).

This letter is to inform you about the proposed activity and to determine if there are any concerns or objections from interested and affected parties that need to be considered.

The proposed mining area will be established on the above mentioned property for the purpose of aggregate mining. The proposed mining methods will entail blasting by means of explosives in order to loosen the hard rock, loading and hauling of the material out of the excavation to a mobile crusher plant where the material will be crushed. The aggregate will be stockpiled and transported to the client via trucks and trailers.

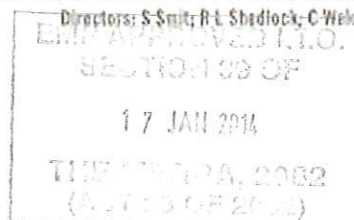

The proposed mining area will be 4,8ha in extent. Material from the mine will be used for base courses in the upgrading of roads in the vicinity of the farm.

**The mining activities will consist of the following:**

- Site establishment
- Stripping and stockpiling of topsoil (if available)
- Blasting
- Excavating
- Crushing
- Stockpiling and transporting
- Sloping and landscaping
- Replacing the topsoil and vegetating the disturbed area
