APPOINTMENT FOR EXHUMATION: MULALO GRAVES

Dear Mr Croukamp

Your quotation of 10 November 2022 (Quotation for exhumation of 12 graves nearby Embalenhle, Secunda) refers. As you know we only know of 6 graves, but have requested your quotation for more in case we do find more on site..

You are hereby appointed for the 6 graves we are aware of at an amount of R 15338,30 per grave as indicated in your quote. However, should there be more graves encountered whilst on site, we will adapt this accordingly.

Please proceed with the process of Public Participation as soon as possible in order to prevent any delays in the project. Also provide me as soon as these are available, the following documents which I will need to do my permit application at SAHRA:

1. Social consultation document/proof of advertising
2. Certified copies of ID's of descendants (families), if any are identified
3. Consent letters from descendants, if any are identified
4. Grave register – list of graves indicating what we know about each, e.g who was buried there and when etc.
5. SAPS approval
6. Approval from the municipality
7. Approval from Health Department

Also note that payment will only be made upon receiving payment from my client (NCC Group). May I also request to be updated on any progress every fortnight in order for me to communicate this to the client? Please sign below and send copy back to me.

Should you need more information, please feel free to ask.

I will appreciate your positive response to the request.

Yours faithfully

Prof AC van Vollenhoven: Project leader
