MOTIVATION FOR PERMIT EXTENTION: PERMIT DEMOLITION BLACK ROCK MINING OPERATIONS (BRMO)

Please note that the above permit – Case ID: 19960 and Permit ID: 3889 – is expiring at the end of 2023. However, due to operational issues, no work has yet been done and therefore the Black Rock Mine is requesting an extension of the permit.

Please also note that Ms Ravele is not in the employment of the mine any more. Therefore please issue the permit to me as the heritage expert for the project.

I trust that you will find this in order and that the extension will be granted. Should you have any questions or additional requests, please feel free to ask.

Yours faithfully

Prof AC van Vollenhoven: Director
