Dear Mr Hine

Ka-Nwamuriwane site of Steinaecker's Horse permit extension

As per our e-mail correspondence, please find herewith a request for the extension of the following permit:

Case ID: 13641
Permit ID: 2954

The current permit expires on 30 June 2020, but the project will not be completed by then. Excavations are only planned for August 2020.

I am therefore requesting it to be extended for another year, thus up to end December 2020.

I can further indicate that nothing has changed regarding the research plan, but my project addendum to SANParks, is added hereby (separate document).

The progress report for the excavations done in 2019 was also mailed to you in January 2020,

I trust that you will find this in order and that the extension will be granted. Should you have any questions, please feel free to ask.

Yours faithfully

Prof AC van Vollenhoven: Director
