Dear Sir,

The Owl House and Camel Yard - Nieu Bethesda

As a part time resident of Nieu Bethesda and having spent long periods in the village while writing plays set in Nieu Bethesda of which there are six, I would like to express my strong support for the application of residents of Nieu Bethesda to SAHRA to declare the Owl House a national heritage site. I trust this can be done as speedily as possible so that the Owl House and Camel Yard can receive the protection it deserves.

Kind regards,
