Beste Mnr. Visagie,

Na aanleiding van 'n konsultasie gehou met my kliënt, antwoord ek graag as volg op u besware rakende die voorgenome prospektering deur Goldipro.

1. Goldipro gaan gebruik maak van openbare paaie na die plase waar die voorgenome prospekteer aktiwiteite gaan plaasvind. Slegs Goldipro werknemers en kontrakteurs sal, met vooraf reëlings met grondeienaar, toegang kry tot die eiendom.
2. Goldipro sal spoedbeperkings van openbare paaie gehoorsaam en sal lae spoed handhaaf op die plaaspaaie.
3. Goldipro bestuur sal deurentyd toesig hou oor werknemers en kontrakteurs gedurende prospekteer aktiwiteite.
4. Goldipro sal met die grondeienaars onderhandel rakende toegang tot sekere gedeeltes van die eiendomme. Aktiwiteite sal beperk word tot hierdie areas, tensy alternatiewe reëlings met die grondeienaar getref word.
5. Die impak van die voorgenome prospekteer aktiwiteite is laag en rehabilitasie van alle versteurings sal gedoen word in terme van die omgewings bestuurs program.

Skakel gerus met ons indien daar enige verdere vrae en/of bekommernisse is.

Vriendelike groete
Tanja Jooste
