16 November 2015

Sir

CONSTRUCTION OF THE SECONDARY WATER SUPPLY INFRASTRUCTURE FOR:
SEEMA VILLAGE CLUSTER
MOGALAKWENA LOCAL MUNICIPALITY, WATERBERG DISTRICT MUNICIPALITY AREA

Contracts:

04-2014/2015 – Pipelines within Seema cluster (Mmamoleboge Investments)
05-2014/2015 – Storage tanks and chambers in Skimming (Phetlakgo Construction)
06-2014/2015 – Storage tanks and chambers in Masenya (Mbanga & Nkhululeko JV)

Appointment to relocate archaeological graves accidentally exposed during trenching activities

I, Theo Kotze of Tekplan Environmental (appointed as the Environmental Control Officer on the above mentioned projects) hereby appoint HCAC as consultants to conduct rescue excavation of the skeletal material exposed during construction activities of the secondary water supply pipelines in Seema Cluster.

All costs will be paid by the Mogalakwena Municipality through the above mentioned projects' budgets. Tekplan Environmental will not be held liable for costs incurred in the event of non-payment from the municipality.

Further enquiries please contact the undersigned.

Thank you.

Yours faithfully

THEO E. KOTZE
