## RE: Request for extension of loan of SAM-PK-K10159

Dear Mrs Kaal,

I wish to apply for a one-year extension to my loan of SAM-PK-K10159 (loan 7452). Due to unavoidable delays in arranging the CT scanning of the specimen I have been unable to complete the intended scientific study of the specimen within the initial one-year loan period, and so request this extension in order to complete the proposed research project. I also wish to transfer the loan to my new institution, the University of Birmingham, where I will be based permanently as a member of academic staff from August 2013. My contact details at Birmingham will be as follows:

*Address:* School of Geography, Earth and Environmental Sciences, University of Birmingham, Edgbaston,  
Birmingham, B15 2TT.

*Telephone:* +44 (0)121 414 5531

*Fax:* +44(0)121 414 4942

*Email:* [butler.richard.j@gmail.com](mailto:butler.richard.j@gmail.com) (institutional email address not yet available)

I look forward to hearing from you with regard to this request.

Yours sincerely

Dr Richard J. Butler
