Conditions of loan:

- 1) The person to take up the loan agrees to return the loaned specimen(s) in good condition and at their own cost, to the Council for Geoscience in Pretoria in person or via an agreed courier. Only reputable couriers that provide a tracking facility and acceptable security may be considered.
- 2) No preparation may be undertaken on the specimen without written permission from the CGS.
- 3) The person taking up the loan has to inform the Council for Geoscience within 4 weeks if he/she change institution or affiliations and/ or email address, so that the new location for the fossil specimen(s) can be registered by the Scientific Officer/ Curator at the Council for Geoscience.
- 4) The person to take up the loan agrees to contact the Council for Geoscience two months prior to the return date for the specimen to discuss the return of the specimen or possible extension of the loan.
- 5) In the case of international loans the person taking up the loan commits to support the Council for Geoscience in the development of progress reports that are to be submitted timeously to the South African Heritage Resource Agency.
- 6) In the case of international loans the person to taking up the loan will contribute to final report, with supporting documents, photos and/or results, to be submitted to SAHRA once the specimen is returned and the loan completed.

If the above conditions are not adhered to, no further loans may be issued to the individual or the affiliated institution.
