Madam

**STUDIES PENDING: BARTN EMP 10055**

We act on behalf of the Trustees of the Mullin Family Trust.

We refer to your letter dated 12 January 2015.

The Archaeologist who is appointed to compile the Phase 1 Heritage Impact Assessment will visit the farm on 29 January 2015 and as soon as we receive the report we will submit it to the Department.

Hope you find it on order.

Yours faithfully
