We wish to inform you that Cetus Energy (Pty) Ltd has acquired the Bela Bela Solar Park as developed by Jacaranda Energy (RF) Proprietary Limited. We hereby request that any approvals/no objections issued by the South African Heritage Agency, including but not limited to that issued on 15 December 2015 be reissued in the name of Cetus Energy (Pty) Ltd.

Cetus Energy (Pty) Ltd further confirms that, in line with the Interim Comment Case ID 8460, will appoint a suitably qualified palaeontologist to be present during the construction period when foundations are constructed to make sure no fossil heritage within the formation is destroyed during construction of the Bela Bela Solar Park.

We trust you will find this in order. Please contact the undersigned or Monique Jordaan at monique@sturdee-energy.com should you require any additional information.

Kind regards
