Thank you Delia for the update. Please note that Amos Mapheko is not in governance anymore and I would kindly request that you dont forward information to him any longer as this is causing a lot of unnecessary confusion and competition in the area.

As the ward councillor of Ward 24, I remain the accounting officer in governance matters.

Your positive response to this request will be highly appreciated.

Yours in development,
Cllr Malebo Rasegoete

Subject: DRAFT SCOPING REPORT FOR PROPOSED UPGRADE OF ROAD D620 AND ROAD D621 - UPGRADE REF NR: LOK2015/002

Dear I & AP

REF NR: LOK2015/002

DRAFT SCOPING REPORT FOR PROPOSED UPGRADE OF ROAD D620 AND ROAD D621

We hereby notify you of the availability of the Scoping Report for public review and comment for the abovementioned project from **28 June 2017 to 28 July 2017**.

Project description

The project entails the upgrading of Road D620 & Road D621 from gravel to surfaced roads. Road D620 will be upgraded to a dual carriageway, approximately 9.3 km in length, with a proposed road reserve of 62 metres. Road D621 will remain a single carriageway, approximately 4.4 km in length, with a proposed road reserve of 30 metres. Existing stormwater infrastructure will be replaced, and/or upgraded, and/or cleaned and new stormwater infrastructure will be constructed.

Should you require a copy of the report, please be so kind as to contact Delia de Lange (012) 346 7655 or delia@lokisa.co.za in order to make arrangements to collect a copy at:

72 Herbert Baker Street
Groenkloof
Pretoria
0081

The copy is also available on Dropbox.

We would like to thank all that have participated in the Public Participation Process, and we appreciate your comments and ongoing involvement during the Environmental Authorisation process.

Regards

Delia de Lange
