Location of the Project

The proposed upgrade and construction of tourist facilities will take place within Coffee Bay and Hole in the Wall, Eastern Cape, South Africa.

Environmental Authorisation

In terms of the amended EIA Regulations (April 2017) published under the National Environmental Management Act, 1998 (Act No. 107 of 1998), as amended, the proposed upgrade and construction of tourist facilities at Coffee Bay and Hole in the Wall trigger several listed activities that require environmental authorisation via the undertaking of a Basic Assessment (BA).

Listed Activities	
Listing Notice 1: No. R. 327 of April 2017	Activities 12, 15, 17, 19A and 30
Listing Notice 3: No. R. 324 of April 2017	Activity 12 and 14

The Eastern Cape Department of Economic Development, Environmental Affairs and Tourism (DEDEAT) is the competent authority for the issuing of environmental authorisation for these proposed developments. DEFF will be consulted as a commenting authority.

Should a Water Use License be required, an application will be submitted to the Department of Human Settlements, Water and Sanitation (DHSWS) in terms of Chapter 4 of the National Water Act, 1998 (Act No 36 of 1998), particularly, Section 40(4). It is anticipated that this process will be completed by September 2021.
