Subject: RE: Draft Scoping Report for the Proposed Jupiter Extension 8

Dear Mandla

Please send us the Final reports **for both Jupiter Extension 8 and 9** once available. Remember that, as the heritage authority, we are mainly interested in the Heritage Impact Assessment (HIA) reports for both sites.

Kindly furnish us with the reports when you have them available. 1 hard copy plus a CD for each site. This information you can use it for any future developments/applications that needs Provincial Heritage Resources Authority – Gauteng (PHRA-G)'s comments.

The HIA Committee keeps emphasising that it needs mainly the HIA reports and no other reports that need other authorities' approval. This means only the relevant documents (Heritage Studies) must be sent to us for comments and not the thick documents which includes reports for other authorities comments.

Looking forward to receiving your reports.

Kind Regards,
Tebogo Molokomme
