ATTENTION: INTERESTED AND AFFECTED PARTY

Dear Sir/Madam

**REVIEW OF SCOPING REPORT FOR ENVIRONMENTAL AUTHORISATION: EXPLORATION
RIGHT APPLICATION FOR PETROLEUM ON VARIOUS FARMS IN THE MAGISTERIAL
DISTRICTS OF MATATIELE AND MOUNT FLETCHER, EASTERN CAPE (12/3/295 ER)**

The above-mentioned project refers. I would like to inform you, as an Interested & Affected Party (I&AP) on the project, that SLR Consulting (Pty) Ltd (SLR) has completed the Scoping Report as part of the process to inform the application for **environmental authorisation** made by Rhino Oil and Gas Exploration South Africa (Pty) Ltd.

The purpose of the Scoping Report is to document the key issues and potential impacts associated with the proposed exploration project and to present the 'plan of study' for the Environmental Impact Assessment. The Scoping Report has been prepared to document the method and findings of the scoping process undertaken to date.

A draft Scoping Report for this project was previously made available for public review in October 2015. The final scoping report was not submitted to the Petroleum Agency South Africa (PASA) at that point as PASA subsequently granted an extension of time in the scoping process. The additional time was used to incorporate further public interaction and investigation to augment the scoping process. This Scoping Report incorporates all of the information from the initial report and details the additional work undertaken.

The Scoping Report will be available for review by all registered I&APs for a period of 30 days from **7 March 2016 until 11 April 2016** (including provision for 3 public holidays). Copies of the Scoping Report have been placed at the following locations:
