**To whom it may concern**

**RE: Consent for storage of archaeological material to be excavated from LIA Stone walled settlement site on Portion 5 of the farm Luipershoek 149JS, near Steelpoort, Limpopo Province.**

**To be impacted by the ESKOM Tubatse Switching Station development.**

Dear Sir/ Madam

The Lydenburg Museum hereby permits the storage of excavated material from above-mentioned Late Iron Age sites on the above-mentioned property. We understand that the material will be excavated by Mr Anton Pelsler, for mitigation purposes during Eskom switching Station developments.

The museum has communicated the necessary standard of packaging and care for the material when prepared for curation to the researcher.

Please consider the matter for approval.

Kind regards

JP Celliers, Museum Curator.
