Dear Jenna Lavin

DMR REF NO: NC30/5/1/1/2/10556 PR

**CONSULTATION IN REGARD OF APPLICATION FOR A PROSPECTING RIGHT IN TERMS OF SECTION 16 OF THE MINERAL AND PETROLEUM RESOURCES DEVELOPMENT ACT, 2002 (ACT 28 OF 2002) FOR IRON AND MANGANASE IN RESPECT OF THE REMAINING EXTENT AND PORTION 2 OF THE BRAND KRAAL 113, WITHIN THE MAGISTERIAL DISTRICT OF HAY.**

The above mentioned matter refers:

Ndlelehle Mining and Consulting CC have been appointed by Tundra Wave (Pty) Ltd for this prospecting right application for Iron and Manganese to conduct public participation process, EIA (Environmental Impact Assessment) and compile all the relevant documentation to the department of mineral resources.

The Prospecting operation will involve Geophysical Survey, drilling of boreholes, logging, analyzing and rehabilitation for a period of 4 to 5 years.

As part of the public participation process the department of mineral resources has accepted the application and requested Tundra Wave report as part of the application process. The Municipality, Departments and local/provincial institution have been identified as interested and affected parties to raise issues, concerns and objections.

In terms of Section 16(4) (b) of the Mineral and Petroleum Resources Development Act, (Act No 28 of 2002), the applicant is required to notify in writing and consult with the landowner or lawful occupier, the surrounding community members, any other interested and affected parties and submit such consultation within 30 days from the date of the notice to the Department of mineral resources.

Your respond and comments regarding the proposed prospecting application will be highly appreciated.

Yours truly

The Director: (Ndlelehle Mining and Consulting)
