PERMIT NO. BG/11/08/001/87

Issued under Section 36(3) of the National Heritage Resources Act, Act No. 25 of 1999. Permission is hereby given:

to: Mr T Hart (ID: 8007295052097), Principal Investigator
of: the Archaeology Contracts Office, University of Cape Town, Rondebosch, 7945
for: the exhumation and reburial of between 5-30 graves of 60 years or older, which will be impacted on by a residential development,
at: S33.48.52.5, E18.52.01.67,
on: erven 212, 213, 214, 223, and 224 Klapmuts,
in: the Stellenbosch District, Western Cape Province.

The following conditions apply:

1. If the permit holder is not to be present on the site at all times then SAHRA must be provided with the names and qualifications of the authorised representatives.
2. Adequate recording methods as specified in the Regulations and Guidelines pertaining to the National Heritage Resources Act must be used. Note that the position of the grave must be marked on a plan of the site, and the site marked on a 1:50 000 map.
3. Human remains must at all times be handled with respect. Minimum standards of the documentation and photographic recording of the human remains and associated grave-goods must be observed, subject to the approval of the descendants. The recommendations for removal of graves and exhumations and for re-burial made in SAHRA's Policy 'What to do when graves are uncovered', section 3, must be observed as far as possible.
4. The remains will be reburied in mini-coffins in a small memorial garden on site. The remains of the grave stones along with a marker commemorating the unknown deceased will be included in the memorial garden.
5. A report on the excavation must be submitted to SAHRA on or before 1 October 2012.
6. Reprints of all published papers, or copies of theses or reports resulting from this work, must be lodged with the relevant Provincial Heritage Resources Authority and SAHRA.
7. If a published report has not appeared within three years of the lapsing of this permit, the report required in terms of the permit will be made available to researchers on request.
8. It is the responsibility of the permit holder to obtain permission from the landowner for each visit, and conditions of access imposed by the landowner must be observed.
9. It is the responsibility of the permit holder to fill in grave excavations and protect sites during and after excavation to the satisfaction of the SAHRA and the landowner.
10. SAHRA shall not be liable for any losses, damages or injuries to persons or properties as a result of any activities in connection with this permit.
11. SAHRA reserves the right to cancel this permit by notice to the permit holder.
12. This permit is subject to a general appeal and may be suspended should an appeal against the decisions be received by SAHRA within 14 days from the date of the permit. SAHRA may not be held responsible for costs or losses incurred in the event of the suspension or retraction of this permit.
13. NB: Any breach of the conditions of the permit will render this permit null and void.

This permit is valid until 1 October 2012

for CHIEF EXECUTIVE OFFICER *J. K. Little*

Dear Mr Hart

PERMIT NO. BG/11/08/001/87

Your application for a relocation permit, received 8 August 2011, applies. I attach as requested a permit for the exhumation and reburial of between 5-30 graves of 60 years or older, which will be impacted on by a residential development, located at S33.48.52.5, E18.52.01.67, on erven 212, 213, 214, 223, and 224 Klapmuts, in the Stellenbosch District, Western Cape Province.

NB: It is understood that the remains will be reburied in mini-coffins in a small memorial garden on site. The remains of the grave stones, along with a marker commemorating the unknown deceased, will be included in the memorial garden. Please note that since no relatives or interested and affected parties came forward to consent to the possibility of cremation, the remains recovered should **not** be cremated.

The SAHRA BGG Unit wishes you success with the project.

Yours sincerely

Jennifer Kitto
Cultural Heritage Officer
